A policy of life assurance shall not be avoided merely on the ground that the person whose life is assured died by his own hand or act, sane or insane, or suffered capital punishment, if, upon the true construction of the policy, the insurer has thereby agreed to pay the sum assured in the events that have happened.
83. Particulars as to age of proposer for life assurance

A form of proposal shall be framed so as to require a person making a proposal for a policy of life assurance to specify the place and date of birth of the person whose life is proposed to be assured, and the person making the proposal shall supply those particulars to the best of his knowledge and belief.

84. Notice regarding proof of age

Where an insurer issues a policy of life assurance which provides that proof of age of the life insured is a condition precedent to the payment of the sum assured, the insurer shall, unless the age of the life assured has already been admitted by it, issue with the policy a printed notice stating that proof of age of the life assured may be required prior to the payment of the sum assured.

85. Procedure where insurer declines to accept proof of age

(1) If an insurer declines to accept the proof of age tendered in respect of a policy of life assurance, whether issued before, on, or after the appointed date, the policy-holder may apply to the Commissioner for an order directing the insurer to accept the proof tendered.

(2) On any such application, the Commissioner may, after giving the insurer a reasonable opportunity of being heard, make such order in relation to the application as he thinks just.

(3) An order under this section shall be binding on the insurer and shall be complied with on his part.

86. Misstatement of age

(1) A policy of life assurance shall not be avoided by reason only of a misstatement of the age of the life assured.

(2) Where the true age as shown by the proofs is greater than that on which the policy was based, the insurer may vary the sum assured by, and the bonuses (if any) allotted to, the policy so that, as varied, they bear the same proportion to the sum assured by, and the bonuses (if any) allotted to, the policy before variation as the amount of the premiums that have become payable under the policy as issued bears to the amount of the premiums that would become payable if the policy had been based on the true age.

(3) Where the true age, as shown by the proofs, is less than that on which the policy was based, the insurer shall either—

(a) vary the sum assured by, and the bonuses (if any) allotted to, the policy before variation as the amount of the premiums that have become payable under the policy as issued bears to the amount of the premiums that would have become payable if the policy had been based on the true age; or

(b) reduce, as from the date of issue of the policy, the premium payable to the amount that would have been payable if the policy had been based on the true age and repay to the policy owner the amount of over-payments of premiums less any amount that has been paid as the cash value of bonuses in excess of the cash value that would have been paid if the policy had been based on the true age.
(4) Notwithstanding subsections (2) and (3), where the correct age is found to be beyond the limits within which the insurer, according to his published prospectus, issues the type of policies in question, the policy shall be void ab initio and the insurer shall refund to the insured all the premiums received on the policy after deducting the commission payments and expenses incurred by him on the policy; but nothing in this subsection shall apply to annuities and other policies where the insured has already received any payment under the policy.

87. Objection to and return of life policy

(1) If within twenty eight days after the delivery of an industrial life assurance policy or an ordinary life assurance policy, where the sum assured is ten thousand shillings or less, by an insurer to the policy-holder, or, at the place of abode of the policy-holder, to some other person who is an inmate of that place apparently not less than eighteen years of age and by whom any premium in respect of the policy is paid on behalf of the policy-holder, the policy-holder returns the policy to the insurer with an objection in writing to any term or condition of the policy or a statement that he does not require the policy, the insurer shall forthwith refund any premium which has been paid in respect of the policy which shall thereupon be cancelled.

(2) For the purposes of this section, where a policy is sent by post by an insurer to the person to whom it is issued, it shall, unless the contrary is proved, be deemed to have been delivered to him at the time at which it would reach him in the ordinary course of post.

(3) For the purposes of this section, a policy shall be deemed to have been returned with an objection or statement, as the case may be, if the policy and objection or statement are posted for transmission to the insurer by registered post.

88. Paid up policies

(1) A policy-holder who desires to discontinue further premium payments on a policy of life assurance on which not less than three years' premiums have been paid in cash shall, on application to the insurer, be entitled to receive, in lieu of that policy, a paid up policy for an amount not less than that determined in accordance with the rules.

(2) The paid up policy shall be payable upon the happening of the contingency upon the happening of which the amount assured under the original policy would have been payable.

89. Surrender of policies

(1) The owner of a policy of life assurance which has been in force for at least three years shall, on application to the insurer, be entitled to surrender the policy and to receive not less than the surrender value of the policy less the amount of any debt owing to the insurer under, or secured by, the policy.

(2) In the application of subsection (1) to a paid up policy which has been issued in lieu of another policy, the period of three years shall be calculated from the date of issue of the original policy.

(3) For the purposes of this section the surrender value of a policy shall be the amount calculated in accordance with the rules.
(4) The Commissioner may, on application by an insurer, if, in his opinion, the payment in cash of surrender values as required by this section would be prejudicial to the financial stability of the insurer or to the interests of the policyholders of that insurer, suspend or vary for such period and subject to such conditions as the Commissioner thinks fit, the obligation of the insurer to pay those surrender values.

90. Non-forfeiture of ordinary life policies in certain cases of non-payment of premiums

(1) An ordinary life policy shall not be forfeited by reason only of the non-payment of any premium (in this section referred to as “the overdue premium”) if—

(a) not less than three years’ premiums have been paid in cash on the policy; and

(b) the surrender value of the policy (calculated as at the day immediately preceding that on which the overdue premium falls due) exceeds the sum of the amount of the debts owing to the insurer under, or secured by, the policy, and the amount of the overdue premium.

(2) The insurer may, until payment of the overdue premium, charge compound interest on it, on terms not less favourable to the policy-holder than such terms (if any) as are prescribed.

(3) The overdue premium and any interest charged on it under this section and unpaid shall, for the purposes of this Act, be deemed to be a debt owing to the insurer under the policy.

(4) Without affecting the generality of subsection (1), an ordinary life policy on which not less than three years’ premiums have been paid in cash shall not be forfeited by reason only of the non-payment of a premium unless, on or after the day on which the premium fell due, the insurer liable under the policy serves a notice on the policy-holder stating—

(a) the amount due or payable to the insurer at the date of the notice in respect of the policy; and

(b) that the policy will be forfeited at the expiration of twenty eight days after service of the notice if a sufficient sum is not paid to the insurer in the meantime.

91. Non-forfeiture of industrial policies in certain cases of non-payment of premiums

(1) An industrial life assurance policy on which less than one year’s premiums have been paid shall not be forfeited by reason only of the non-payment of any premium unless the premium has remained unpaid for not less than four weeks after it became due.

(2) An industrial life assurance policy on which not less than one year’s premiums have been paid shall not be forfeited by reason only of the non-payment of any premium unless the premium has remained unpaid for not less than eight weeks after it became due.
(3) An industrial life assurance policy on which not less than two years’ premiums have been paid shall not be forfeited by reason only of the non-payment of any premium, unless the premium has remained unpaid for not less than twelve weeks after it became due.

(4) In the event of an industrial life assurance policy on which not less than three years’ premiums have been paid being forfeited by reason of non-payment of any premium, the insurer shall, without requiring any application from the policy-holder, grant a paid up policy for an amount not less than that calculated in accordance with the rules.

(5) The paid up policy shall be payable upon the happening of the contingency upon which the amount insured under the original policy would have been payable.

92. Treatment of debts on grant of paid up policies

Where in pursuance of any provision in this Part a policy-holder is entitled to receive, or an insurer is required to grant, a paid up policy and there is any debt owing to the insurer under or secured by the policy, the insurer may elect—

(a) to treat the debt so owing as a debt secured by the paid up policy and thereupon the paid up policy shall be a security for the debt so owing; or

(b) in the ascertainment of the amount of the paid up policy, to reduce the amount by taking into account, upon a basis approved by the Commissioner, the debt so owing to the insurer, and thereupon the debt shall cease to be owing to the insurer.

93. Certain policies exempted from operation of sections 88 to 92

(1) The provisions of sections 88 to 92 (inclusive) shall not apply to—

(a) an instrument securing the grant of an annuity for a term dependent upon human life, not being a deferred annuity during the period of deferment; or

(b) a policy which provides insurance against contingencies none of which may happen, not being a policy which provides for the payment of a sum of money if the life insured by the policy survives a specified period.

(1A) Every insurer who provides annuities and other insurance investment products shall publish information regarding such annuities and other products on quarterly basis in the manner specified by the Commissioner.

(2) Subject to subsection (1), the Minister may, on the recommendation of the Commissioner, by notice in the Gazette, declare that the provisions of sections 88 to 92 shall apply in respect of any policy or class of policies with such modifications as are declared in the notice, and those provisions shall apply in respect of that policy or class of policies accordingly.

[Act No. 8 of 2008, s. 62.]

94. Insurable interest essential for all policies

(1) Subject to this Act, no policy of insurance shall be issued on the life or lives of any person or persons, or on any other event or events whatsoever,
wherein the person or persons for whose use, benefit, or on whose account such policy or policies shall be made, shall have no insurable interest.

(2) An insurable interest shall be deemed to be had by—

(a) a parent of a child under eighteen years of age, or a person in loco parentis of such a child, in the life of the child to the extent of funeral expenses which may be incurred by him on the death of the child;

(b) a husband, in the life of his wife;

(c) a wife, in the life of her husband;

(d) any person, in the life of another upon whom he is wholly or in part dependent for support or education;

(e) a corporation or other person, in the life of an officer or employee thereof; and

(f) a person who has a pecuniary interest in the duration of the life of another person, in the life of that person.

(3) A child’s advancement policy effected either before, on, or after the appointed date shall not be void by reason only that the person effecting the policy had not at the time the policy was effected an insurable interest in the life of the child.

95. Property in child’s advancement policy

(1) The provisions of this section shall apply to every child’s advancement policy, whether effected before, on, or after the appointed date.

(2) Where a child whose life is insured under a child’s advancement policy has, whether before, on, or after the appointed date, attained the vesting age, the policy shall be deemed to have been, or, as the case may be, shall become, as on and after the date on which the child attained the vesting age, the absolute property of the child both at law and in equity, subject—

(a) to any debt owing to the insurer under, or secured by, the policy;

(b) to any dealing done, prior to the attainment by the child of the vesting age, by the owner of the policy; and

(c) to any dealing done, after the attainment by the child of the vesting age and prior to the appointed date, by the owner of the policy.

(3) On the death or bankruptcy, during the child’s life time and before he attains the vesting age, of the person effecting the policy, the executors, administrators, official receiver or trustee in bankruptcy of the person effecting the policy as the case may be (in this subsection referred to as “the representative”) shall, subject to any dealings other than testamentary by the person effecting the policy before his death or bankruptcy, hold the policy in trust for the child until he attains the vesting age, or dies before attaining the vesting age, and the representative may assign, mortgage, charge, surrender, vary or otherwise deal with the policy and apply the proceeds as he thinks fit for the maintenance or benefit of the child and the upkeep of the policy, and the insurer issuing the policy shall be under no obligation to see to the application of the proceeds.
(4) Nothing in this section shall invalidate a payment made before the appointed date in respect of a child’s advancement policy if the payment, but for this Act, would have been valid.

96. Limitation of amount payable on death of child

(1) An insurer shall not, by a policy effected on the life of a child, contract to pay on the death of the child under ten years of age a sum of money (apart from repayment of premiums) which, added to any amount payable (apart from repayment of premiums) on the death of the child under ten years of age by any other insurer, exceeds one hundred thousand shillings.

(2) In a policy to which subsection (1) refers there shall be clearly set out that the total sum recoverable as insurance moneys or other benefits from any one or more insurers (apart from repayment of premiums) shall not exceed one thousand shillings.

97. Production of prescribed certificate of death

An insurer shall not pay any sum (apart from repayment of premiums) on the death of a child under ten years of age except upon production of a certificate of death issued in accordance with the provision of the Births and Deaths Registration Act (Cap. 149).

98. Savings as to insurable interest

Sections 96 and 97 shall not apply to a policy on the life of a child when the person effecting the insurance has an insurable interest, apart from the mere interest under section 94(2)(a), in the life of the child.

99. Protection of insured’s interests

(1) Subject to any written law relating to bankruptcy, the property and interest of a person in a policy effected (whether before, on, or after the appointed date) upon his own life shall not be liable to be applied or made available in payment of his debts by a judgment, order or process of any court.

(2) In the event of a person whose life is insured dying after the appointed date, the moneys payable upon his death under or in respect of a policy effected upon his life shall not, subject to any written law relating to bankruptcy, be liable to be applied or made available in payment of his debts by a judgment, order or process of any court, or by retainer by an executor or administrator, or in any other manner, except by virtue of a contract or charge made by the person whose life is insured or by virtue of an express direction contained in his will or other testamentary instrument executed by him that the moneys arising from the policy shall be so applied.

(3) A direction to pay debts, or a charge of debts upon the whole or any part of the testator’s estate, or a trust for the payment of debts, shall not be deemed to be such an express direction.

100. Family insurance policies

(1) Subject to any written law relating to bankruptcy, a policy effected (whether before, on, or after the appointed date) by a man upon his own life, and
expressed to be for the benefit of his wife, or of his children, or of his wife and children, or any of them, or by a woman upon her own life and expressed to be for the benefit of her husband or of her children, or of her husband and children, or any of them, shall create a trust in favour of the objects named in the policy, and the moneys payable under that policy shall not, so long as any object of the trust remains unperformed, form part of the estate of the person whose life is insured, or be subject to his or her debts.

(2) The person whose life is assured may, by the policy, or by a memorandum under his or her hand, appoint trustees of the moneys payable under the policy, and from time to time appoint new trustees of the moneys and may make provision for the appointment of new trustees of the moneys, and for the investment of the moneys payable under the policy.

(3) Subject to subsection (4), if at any time there is no trustee, the policy shall vest in the person whose life is assured, and his personal representatives, in trust for the purposes referred to in, and subject to, subsection (1).

(4) If at any time there is no trustee and the policy is not vested in any person in pursuance of subsection (3) and it is expedient to appoint trustees or new trustees, trustees or new trustees may be appointed by the court.

(5) The receipt of a trustee, or if there is no trustee or in default of notice to the insurer of the existence of a trustee, the receipt of the person whose life is insured or of his personal representative, or, if the policy has been assigned in pursuance of the power to borrow money conferred by subsection (6), the receipt of the owner for the time being of the policy, shall be a discharge to the insurer for the sum payable under the policy, or for the value of the policy, in whole or in part.

(6) A trustee, or if there is no trustee or in default of notice to the insurer of the existence of a trustee, the person whose life is insured or his personal representative, may vary the terms of the policy in any manner permitted by the insurer, surrender the policy in whole or in part or borrow money upon the policy, and any money obtained by any such variation, surrender or borrowing shall be subject to the same trusts as those upon which the policy was or is held.

(7) Except as expressly provided by this section, nothing in this section shall affect the operation of the law in force in Kenya relating to trustees.

(8) In this section, “children” in relation to a person, includes—

(a) a person adopted by the first-mentioned person under the Law of Kenya relating to the adoption of children; or

(b) a person adopted by the first-mentioned person under the Law of any country relating to the adoption of children if the validity of the adoption would be recognised under the Law of Kenya; or

(c) a step-child of that person.

101. **Probate or administration may be dispensed with in certain cases**

(1) Where—

(a) there is only one policy under which moneys are payable by a particular insurer to the personal representative of a deceased person and those moneys do not, excluding bonus additions, exceed one hundred thousand shillings; or
(b) there are two or more policies under which moneys are so payable and the aggregate of those moneys does not, excluding bonus additions, exceed five thousand shillings, the insurer may, without requiring the production of any probate or letters of administration, pay the moneys, together with the bonuses (if any) which have been added to the policy or policies, to a person—

(i) who is the husband, wife, father, mother, child, brother, sister, nephew or niece of the deceased person; or

(ii) who satisfies the insurer that he is entitled to the property of the deceased person under his will or under the law relating to the disposition of the property of the deceased person or that he is entitled to obtain probate of the will of the deceased person or to take out letters of administration of his estate.

(2) The insurer making any such payment shall be thereby discharged from all further liability in respect of the moneys payable under the policy or policies.

[Act No. 9 of 2000, s. 92.]

102. Death of owner of policy not being life insured

(1) Subject to this section, where the owner of a policy of life assurance, not being the person whose life is assured by the policy, predeceases the person whose life is so assured, and a person satisfies the insurer that issued the policy that he is entitled—

(a) under the will or on the intestacy of the deceased owner to the benefit of the policy; or

(b) to obtain probate of the will, or to take out letters of administration of the estate of the deceased owner,

the insurer may, without requiring the production of probate or letters of administration, endorse on the policy a declaration that that person has so satisfied the insurer and is the owner of the policy, and thereupon that person shall become, subject to subsection (2), the owner of the policy.

(2) Subsection (1) shall not confer on a person declared to be the owner of a policy any beneficial interest in the policy which he would not otherwise have had.

(3) This section shall apply in relation to a policy referred to in subsection (1) whether the deceased owner died before, on, or after the appointed date.

(4) This section shall not apply in relation to—

(a) a policy the surrender value of which, at the date of the death of the deceased owner, exceeds or exceeded two thousand five hundred shillings; or

(b) a policy which is one of two or more policies owned by the deceased owner and issued by the same insurer if the aggregate of the surrender values of those policies at the date of the death of the deceased owner exceeds or exceeded two thousand five hundred shillings.
(5) For the purposes of subsection (4), the surrender value of a policy is the amount (including any amount in respect of bonus additions) that would be paid by the insurer issuing the policy upon its surrender.

103. Insurer not bound to see to application of payments

An insurer shall not in any circumstances be bound or concerned to see to the application of any moneys paid by the insurer in respect of any policy.

104. Power to pay into court

(1) An insurer may, subject to any rules of court in that behalf, pay into court any moneys payable by the insurer in respect of a policy for which, in the opinion of the insurer, no sufficient discharge can otherwise be obtained.

(2) The receipt of a Registrar of the court for the moneys shall be a good and valid discharge to the insurer for moneys so paid in, and the moneys shall, subject to the rules of the court, be dealt with according to the order of the Court.

105. No deductions in respect of other policies

Where a claim arising under a policy is paid, no deductions shall, except with the consent in writing of the claimant, be made on account of premiums or debts due to the insurer under any other policy.

106. Lost policies

(1) Where an insured person claims that the policy (in this section referred to as “the original policy”) is lost or has been destroyed, the insurer liable under the original policy may, subject to this section, upon application by that person and upon such evidence as to the loss or destruction of the original policy as the insurer deems sufficient, issue to the applicant a special policy in substitution for the original policy.

(2) A special policy shall—

(a) be a copy, as nearly as can be ascertained, of the original policy in substitution for which it has been issued;

(b) contain copies of every endorsement on the original policy registered by the insurer; and

(c) state the reason for the issue of the special policy.

(3) Before issuing a special policy the insurer shall, if the amount insured, exclusive of bonus additions in the case of a policy of long term insurance, exceeds one hundred thousand shillings, give at least one month’s notice of his intention so to do in the Gazette and in at least one newspaper published and circulating in Kenya.

(4) The expenses of advertisement and all other costs of the issue of a special policy shall be paid by the applicant at the time of application.

(5) The fact of the issue of a special policy and the reason for its issue shall be recorded by the insurer in the register of policies.
(6) A special policy shall be valid and available for all purposes for which the original policy in substitution for which it has been issued would have been valid and available and, after the issue of the special policy, the original policy in substitution for which it has been issued shall be void.

(7) If the insurer fails to issue a special policy within six months of an application in writing from the insured person, the Commissioner may, upon application and upon such evidence as to the loss or destruction of the original policy as the Commissioner deems sufficient, order the insurer, upon such terms and within such time as the Commissioner thinks fit, to issue a special policy.

[Act No. 9 of 2000, s. 93.]

PART IX – ASSIGNMENTS, MORTGAGES AND NOMINATIONS

107. Assignments of policies

(1) Subject to section 110, an assignment of a policy of life assurance made after the appointed date—

(a) shall be by memorandum of transfer and shall be—

(i) endorsed upon the policy, or upon an annexure to the policy that is referred to in, or in an endorsement on, the policy; and

(ii) signed by the transferor in the presence of a witness; and

(b) shall not be recognised by or binding on the insurer until registered in accordance with this section by the insurer liable under the policy.

(2) Every assignment shall be registered in a register to be provided by the insurer for that purpose, and the date of registration shall be inserted in the memorandum of transfer, which shall also be signed by the principal officer of the insurer or a person thereto authorized by him in writing.

(3) The transferee under a duly registered assignment shall have all the powers and be subject to all the liabilities of the transferor under the policy, and may sue in his own name on the policy:

Provided that nothing in this section shall be construed to admit the transferee to membership of an insurer or to deprive the transferor of his membership in respect of a policy, except as provided in the instruments constituting the insurer or in his articles of association or other rules.

(4) The receipt of the transferee shall be a discharge to the insurer for all moneys paid by the insurer under the policy.

(5) Every memorandum of transfer shall, as between the insurer and any person claiming any moneys under the policy, be conclusive evidence for all purposes that the transferee was at the time of registration the absolute owner of the policy free from all trusts, rights, equities and interests (except liens or charges which the insurer has upon the policy), and legally entitled to receive and give a discharge for those moneys.

(6) Any discharge or surrender of or security over the policy given to the insurer by the transferee shall be valid and effectual, notwithstanding the existence of any trust, right, equity or interest of any other person.
(7) The insurer taking the discharge, surrender or security shall not be required or concerned to inquire or ascertain the circumstances in which or the consideration for which the transferee or any previous transferee became a transferee, or, except as provided by section 108, be affected by express, implied or constructive notice of any trust, right, equity or interest.

(8) This section shall not—
(a) impose on a minor any liability to which he would not, but for this section, be subject;
(b) confer on a minor any power or capacity which, but for this section, he would not have; or
(c) validate a receipt or discharge or a surrender of, or security over, a policy given by a minor, if, but for this section, that receipt, discharge, surrender or security would not be valid.

108. Effect of notice of trust

(1) Notwithstanding anything contained in section 107, an insurer shall not be entitled to any protection under that section or to rely upon any of the provisions of that section if the insurer has not acted in good faith or has received express notice in writing of any trust, right, equity or interest of any person.

(2) In case of the receipt of any such notice the insurer may pay into the Court any moneys payable under the policy, and the receipt of a Registrar of the Court for the moneys shall be a good and valid discharge to the insurer for the moneys so paid in.

(3) The moneys shall be paid out to such person as the Court orders.

109. Assignment of policy to insurer issuing it not to merge rights, etc. under policy

The rights and liabilities arising under a policy shall not be deemed, either at law or in equity, to be merged or extinguished by reason only of an assignment of the policy, whether at law or in equity, to the insurer that issued the policy.

110. Policies held by trustees

Where an insurer is satisfied that—
(a) a policy has been issued or transferred to, or the ownership of a policy is otherwise vested in, persons as trustees; and
(b) those persons are no longer the trustees for the purposes of the trust,
the insurer may, at the request in writing of the persons claiming to be the trustees for the time being for the purposes of the trust and on the evidence of a statutory declaration by one of those persons verifying the claim, record the names of those persons as the owners of the policy, and thereupon those persons shall become the owners of the policy.
111. Nomination by policy holder

(1) The holder of a policy of life assurance on his own life may, when effecting the policy or at any time before the policy matures for payment, nominate the person or persons to whom the money secured by the policy shall be paid in the event of his death:

Provided that, where the nominee is a minor, the policy-holder may appoint, in the manner prescribed, any person to receive the money secured by the policy in the event of his death during the minority of the nominee.

(2) Any nomination under subsection (1) in order to be effectual, shall either be incorporated in the text of the policy itself or be made by endorsement on the policy communicated to the insurer and registered by him in the records relating to the policy, and the nomination may at any time before the policy matures for payment be cancelled or changed by an endorsement or a further endorsement or a will, as the case may be, but unless notice in writing of any such cancellation or change has been delivered to the insurer, the insurer shall not be liable for any payment under the policy made bona fide by him to a nominee mentioned in the text of the policy or registered in the books of the insurer.

(3) The insurer shall furnish to the policy-holder a written acknowledgement of having registered a nomination or a cancellation or change thereof, and may charge the prescribed fee not exceeding ten shillings, for registering a nomination, or its cancellation or change.

(4) A transfer or assignment of a policy made in accordance with this Act shall automatically cancel a nomination:

Provided that the assignment of a policy to the insurer who bears the risk on the policy at the time of assignment, in consideration of a loan granted by the insurer on the security of the policy within its surrender value, or its reassignment on repayment of the loan, shall not cancel a nomination but shall affect the rights of the nominee only to the extent of the insurer’s interest in the policy.

(5) Where the policy matures for payment during the life-time of the person whose life is insured, or where the nominee dies, or if there are more nominees than one, all the nominees die before the policy matures for payment, the amount secured by the policy shall be payable to the policy-holder or his heirs or legal representatives or the holder of a succession certificate, as the case may be.

(6) Where the nominee survives, or if there are more nominees than one, one or more nominees survive the person whose life is insured, the amount secured by the policy shall be payable to the survivor or survivors, as the case may be.

(7) The provisions of this section shall not apply to a policy to which section 100(1) applies.

PART X – CLAIMS ON SMALL LIFE POLICIES

112. Claims on small life policies

(1) In the event of a dispute relating to the settlement of a claim on a policy of life assurance assuring a sum not exceeding one hundred thousand shillings (exclusive of any profit or bonus not being a guaranteed profit or bonus) issued by an insurer in respect of life assurance business transacted in Kenya, arising between a claimant under the policy and the insurer who issued the policy or has
otherwise assumed liability in respect thereof, the dispute may at the option of the claimant be referred to the Commissioner for decision, and the Commissioner may, after giving an opportunity to the parties to be heard and after making such further enquiries as he may think fit, decide the matter.

(2) The decision of the Commissioner under this section shall be final and shall not be called in question in any court, and may be executed by the Court which would have been competent to decide the dispute if it had not been referred to the Commissioner as if it were a decree passed by that court.

(3) There shall be charged and collected in respect of an adjudication under this section such fees whether by way of per centage or otherwise as may be prescribed.

[Act No. 9 of 2000, s. 94.]

PART XI – TRANSFERS AND AMALGAMATIONS

113. Application to amalgamate or transfer

(1) Subject to this Act, where—

(a) two or more insurers, at least one of whom is registered under this Act, intend to amalgamate; or

(b) an insurer intends to transfer insurance business of any class to another insurer and at least one of those insurers is registered under this Act,

both the insurers jointly in the former case, and the transferor in the latter case, shall apply to the Authority, for his approval of the amalgamation or transfer, as the case may be.

(2) An application to amalgamate or transfer insurance business shall be accompanied by—

(a) the draft of the document under which the proposed amalgamation or transfer is to take effect;

(b) audited accounts and balance sheets of both insurers as on the date of the proposed amalgamation or transfer;

(c) any other report or document on which the proposed amalgamation or transfer is founded or prepared as at the date of the proposed amalgamation or transfer, as the case may be;

(d) actuarial reports and abstracts in respect of long term insurance business of both the insurers, such reports and abstracts of the transferor, prepared in conformity with the provisions of section 115, as read with the requirements prescribed in the regulations as at the date of the proposed amalgamation or transfer, as the case may be.

(3) Where the proposed amalgamation or transfer is in respect of long term insurance business, an application under this section shall, in addition to the documents mentioned in subsection (2), be accompanied by a report on the terms of the scheme and likely effects of the scheme on policy-holders of the insurers concerned as a result of the proposed scheme of amalgamation or transfer, prepared by an actuary who has not been professionally connected with
any of the insurers at any time during the five years immediately preceding the application and prepared as at the date of the proposed amalgamation or transfer, as the case may be.

(4) The audited accounts and balance sheets, reports and abstracts referred to in subsections (2) and (3) shall be prepared as at the date at which the amalgamation or transfer is intended to be effected, which date shall not be more than twelve months before the date of the application.

[Act No. 12 of 1987, s. 5, Act No. 12 of 1994, s. 24, Act No. 4 of 2012, s. 35.]

114. Notice

(1) The Authority shall not determine an application under this Part unless—

(a) notice of the intention to apply for amalgamation or transfer, approved by the Authority for the purpose, has been published in the Gazette and in at least two newspapers published and circulating in Kenya;

(b) except in so far as he has otherwise directed, a copy of the notice has been sent to every affected policy-holder and every other person who claims an interest in a policy included in the amalgamation or transfer and has given written notice of his claim to one of the insurers involved in the amalgamation or to the transferor, as the case may be; and

(c) copies of a statement setting out particulars of the amalgamation or transfer, including in the case of long term insurance business the report of the actuary, and approved by the Authority, have been available for inspection at one or more places in Kenya for a period of not less than thirty days beginning with the date of the first publication of the notice in accordance with paragraph (a).

(2) The notice referred to in subsection (1) shall invite any person (including an employee, director, shareholder or policy-holder) who has reasonable grounds for believing that he would be adversely affected by the carrying out of the scheme to write or make oral representations to the Authority within thirty days of the publication of the notice, stating the grounds on which he believes he would be adversely affected by the carrying out of the scheme of amalgamation or transfer.

[Act No. 12 of 1987, s. 11, Act No. 4 of 2012, s. 36.]

115. Conditions for approval in relation to long term insurance business

(1) The Authority shall not determine an application under this Part which involves or includes a transfer of long term insurance business, unless the scheme involves a transfer of assets relating to the long term insurance business proposed to be transferred in accordance with the provisions of this section.

(2) If the transfer covers all the long term insurance business of the transferor, all the assets representing the statutory fund maintained by the transferor shall, subject to subsection (4), be transferred.

(3) If the transfer applies to a part only of the long term insurance business of the transferor, the approved proportion of the assets representing the statutory fund maintained by the transferor shall, subject to subsection (4), be transferred.
(4) For the purposes of subsections (2) and (3)—

(a) subject to paragraphs (b) and (c) of this subsection, assets of not less than the actuarial value of the liabilities on all the policies, after making adequate provision for maintenance of bonuses at current levels, and for the reasonable expectations of policy-holders, liabilities being calculated on a proper basis, shall be transferred;

(b) where the total assets available in terms of subsection (2) or (3) are less in value than the figure arrived at under paragraph (a) of this subsection, the whole of the assets so available shall be transferred, and the Authority shall decide, after taking into account the relevant actuarial considerations, whether any other assets of the insurer shall also be transferred and whether any provisions for reduction of contracts shall be made in the scheme of transfer;

(c) where the total assets available in terms of subsection (2) or (3) exceed the figure arrived at under paragraph (a) of this subsection, the assets transferred shall be of value equal to the figure arrived at under paragraph (a) plus the following proportions of the excess of the assets in terms of subsection (2) or (3) over the figure arrived at under paragraph (a) namely—

(i) if the excess is equal to or less than forty per cent of the figure arrived at under paragraph (a), ninety per cent of such excess; and

(ii) if the excess is more than forty per cent of the figure arrived at under paragraph (a), ninety per cent of the portion of the excess amounting to forty per cent of the figure arrived at under paragraph (a) plus fifty per cent of the balance of the excess,

except that where the transferor does not have a share capital, the entire excess of the assets in terms of subsection (2) or (3) over the figure arrived at under paragraph (a) shall be transferred in addition to the assets of value equal to the figure arrived at under paragraph (a).

(5) For the purposes of subsections (2) and (3), the total assets shall include all assets held by the insurer in Kenya which are applicable to, or were built out of, all the long term insurance business carried on in the past irrespective of whether they are shown against long term insurance business and irrespective of whether the business was carried on in the past solely in Kenya or elsewhere.

(6) In determining the “value of the assets” due provision should be made for any possible tax liabilities arising on account of the value placed on the assets or on account of the transfer of the assets.

(7) In this section—

“proper basis” means the minimum basis prescribed or the basis applicable in the case of a bonus reserve valuation, allowing provision for the maintenance of bonuses at current levels and for the reasonable expectations of policy-holders in that context, or the basis adopted at the latest preceding valuation, whichever brings out the highest figure of liability;
“approved proportion” means the proportion which is approved by the Commissioner as reasonable in the circumstances of the case.

116. Further conditions for approval

The Authority shall not approve an amalgamation or transfer on an application under section 113 unless he is satisfied that—

(a) every policy included in the amalgamation or transfer evidences a contract which—

(i) was entered into before the date of the application; and

(ii) imposes on the insurer obligations the performance of which will constitute the carrying on of insurance business in Kenya; and

(b) the amalgamated insurer or transferee, as the case may be, is, is, or immediately after the approval will be, authorized under this Act to carry on in Kenya insurance business of the appropriate class or classes,

and unless in his opinion the amalgamated insurer’s or transferee’s financial resources and the other circumstances of the case justify the giving of his approval.

[Act No. 12 of 1987, s. 11 Act No. 4 of 2012, s. 38.]

117. Approval or refusal

(1) The Authority may, after considering the documents and reports deposited with him under this Part and the representation, if any, made under section 114(2), subject to such terms and conditions as he considers necessary, approve the scheme of amalgamation or transfer.

(2) On determining an application made under subsection (1) the Authority shall—

(a) publish a notice of his decision in the Gazette and in such other manner as he thinks fit; and

(b) send a copy of that notice to the parties to the amalgamation or the transferor and the transferee and every person who made representations in accordance with the notice referred to in section 114,

and if he refuses the application he shall inform the parties to the amalgamation or the transferor and the transferee in writing of the reasons for his refusal.

[Act No. 12 of 1987, s. 11, Act No. 4 of 2012, s. 39.]

118. Effect of approval under section 117

(1) Subject to subsection (2), an instrument giving effect to an amalgamation or transfer approved by the Authority under section 117 shall be effectual in law—

(a) to transfer to the amalgamated insurer or the transferee all the transferor’s right and obligations under the policies included in the instruments; and
(b) if the instrument so provides, to secure the continuation by or against the amalgamated insurer or the transferee of any legal proceedings by or against either party to the amalgamation or against the transferor which relate to those rights or obligations, notwithstanding the absence of any agreement or consent which would otherwise be necessary for it to be effectual in law for those purposes.

(2) Except in so far as the Authority may otherwise direct, a policy-holder whose policy is included in such an instrument shall not be bound by it unless he has been given written notice of its execution by either of the insurers involved in the amalgamation or transfer.

(3) Where an amalgamation or transfer has been approved, the amalgamated insurer or the transferee insurer shall within ten days from the date of completion of the amalgamation or transfer deposit with the Commissioner certified copies of—

(a) statements of his respective assets and liabilities; and
(b) the documents under which the amalgamation or transfer was effected.

PART XII – INSOLVENCY AND WINDING UP

119. Insurer defined for this Part

In this Part “insurer” means an insurer carrying on insurance business in Kenya.

120. Voluntary liquidation

Notwithstanding anything to the contrary in the Companies Act (Cap. 486), an insurer carrying on long term business shall not be wound up voluntarily.

121. Winding up by court

Where a petition for the winding up of an insurer is presented by a person other than the Commissioner, a copy of the petition shall be served on the Commissioner and the Commissioner shall be entitled to be heard on the petition.

122. Insolvency

For the purpose of section 219 of the Companies Act (Cap. 486), an insurer shall be deemed to be unable to pay his debts if at any time the requirements of section 41 (which relate to margins of solvency) are not observed by the insurer.

123. Petitions for winding up

(1) The Commissioner may, with the prior approval of the Board, unless the insurer is already being wound up by the court, present an application to the court for winding up the insurer in accordance with the Companies Act (Cap. 486) under any of the following circumstances:

(a) in terms of section 19(5) or 67(3) of this Act;
(b) in the case of an insurer carrying on long term insurance business
as a closed fund within the meaning of that term in section 21, on
the grounds that the business has continued as a closed fund for a
period of more than five years (excluding any period before the
appointed date), that the insurer has failed to implement a scheme
approved or framed by the Commissioner under section 10, and that
the continuance of the insurer without winding up is detrimental to
the interests of the policy-holders;

c) on the ground that the insurer is unable to pay his debts within the
meaning of section 219 of the Companies Act (Cap. 486);

d) on the ground that the insurer, having failed to comply with any
requirement of this Act, has continued that failure, or having
contravened any provision of this Act, has continued that
contravention for a period of six months after notice of failure or
contravention has been given to the insurer by the Commissioner;

e) on the ground that the insurer is unable to fulfil the reasonable
expectations of policy-holders or potential policy-holders;

(f) on the ground that it is just and equitable in the interests of the
policy-holders that the insurer should be wound up;

g) on the ground that the insurer has failed to pay tax that is due and
outstanding.

(2) The court may, after considering the petition presented by the
Commissioner, order the winding up of the insurer if it is of the opinion that there
are sufficient grounds and it is just and equitable for the insurer to be wound up.

[Act No. 12 of 1987, s. 6, Act No. 11 of 2006, s. 15.]

124. Secondary companies

(1) Where the insurance business or any part of the insurance business of an
insurer has been transferred to an insurer to which this Act applies under an
arrangement in pursuance of which the first-mentioned insurer (in this section
called "the secondary company") or the creditors thereof has or have claims
against the insurer to which the transfer was made (in this section called "the
principal company") then, if the principal company is being wound up by or under
the supervision of the court, the court shall, subject to the provision of this
section, order the secondary company to be wound up in conjunction with the
principal company and may by the same or any subsequent order appoint the
same person to be liquidator for the two insurers and make provision for such
other matters as may seem to the court necessary, with a view to the insurers
being wound up as if they were one insurer.

(2) The commencement of the winding up of the principal company shall,
except as otherwise ordered by the court, be the commencement of the winding
up of the secondary company.

(3) In adjusting the rights and liabilities of the members of the several
insurers between themselves, the court shall have regard to the constitution of
the insurers, and to the arrangements entered into between the insurers in the
same manner as the court has regard to the rights and liabilities of different
classes of contributories in the case of the winding up of a single insurer or as
near thereto as circumstances admit.
(4) Where an insurer alleged to be the secondary company is not in process of being wound up at the same time as the principal company to which the insurer is secondary, the court shall not direct the secondary company to be wound up unless, after hearing any objections that may be urged by or on behalf of the insurer against being wound up, the court is of the opinion that the insurer is secondary to the principal company and that the winding up of the insurer in conjunction with the principal company is just and equitable.

(5) An application may be made in relation to the winding up of a secondary company in conjunction with a principal company by any creditor of, or person interested in, the principal or secondary company.

(6) Where an insurer stands in the relation of a principal company to one insurer, and in the relation of a secondary company to another insurer, or where there are several insurers standing in the relation of secondary companies to one principal company, the court may deal with any number of such companies together or in separate groups, as it thinks most expedient, upon the principles laid down in this section.

125. Insurers being subsidiaries of non-insurers

(1) Where an insurer is a subsidiary of a company which is not an insurer, and the latter company is wound up under the Companies Act (Cap. 486) or otherwise—

(a) the subsidiary shall not be wound up except on the basis of a separate application for winding up; and

(b) where the subsidiary carries on long term insurance business, whether with or without other classes of insurance business, and is ordered to be wound up, all the admitted assets of the statutory funds together with any other assets of the subsidiary which have been included in a separate balance sheet relating to the long term insurance business, and together also with any assets which, though not shown against the statutory funds or in that balance sheet, should in the opinion of the court be equitably related to the long term policy-holders, shall be treated as exclusively reserved for the benefit of the policy-holders of long term insurance business, and those assets shall not be utilized directly or indirectly for any purpose other than for the benefit of the long term insurance policy-holders as long as those policy-holders have not been fully discharged or otherwise provided for.

126. Supplemental provisions as to winding up

(1) In any proceedings upon a petition to wind up an insurer presented by the Commissioner under section 123(1), evidence that the insurer was insolvent at the close of the period to which the accounts and balance sheet of the insurer last deposited under section 61 relate, or at any date as at which an investigation was last made under section 57 or 58, shall be evidence that the insurer continues to be unable to pay his debts, unless the contrary is proved.

(2) Rules made under section 344 of the Companies Act (Cap. 486) may regulate the procedure and the practice to be followed in proceedings with respect to the winding up of insurers under this Act.
127. Valuation of assets and liabilities

(1) Subject to any directions which may be given by the court—

(a) the value of the assets and liabilities shall be ascertained in such manner and upon such basis as the liquidator thinks fit;

(b) the liabilities of an insurer in respect of the current policies of long term insurance business shall, as far as practicable, be calculated by the method and upon the basis to be determined by an actuary appointed by the court;

(c) the liabilities of an insurer in respect of current policies of general insurance business shall, as far as practicable, be such portion of the last premium paid as is proportionate to the unexpired portion of the policy in respect of which the premium was paid.

(2) The actuary appointed under subsection (1) shall, in the determination of liabilities, take into account any special directions which may be given to him by the court.

128. Continuation of business of insurer in liquidation

(1) The liquidator shall, so far as it may be possible and unless the court otherwise orders, carry on the insurance business of an insurer with a view to it being transferred as a going concern to another insurer, whether an existing company or a company formed for the purpose; and, in carrying on that business, the liquidator may agree to the variation of any contracts of insurance in existence when the winding up order is made but shall not effect any new contracts of insurance.

(2) If the liquidator is satisfied that the interests of the creditors in respect of liabilities of the insurer attributable to his business require the appointment of a special manager of the business, he may apply to the court, and the court may on the application appoint a special manager of that business to act during such time as the Court may direct, with such powers, including any of the powers of a receiver or manager, as may be entrusted to him by the court.

(3) The Court may require the special manager to give such security as it considers necessary.

(4) The Court may make such order as it considers appropriate with regard to the payment of remuneration to the special manager.

(5) The Court may, subject to such conditions (if any) as it may determine, reduce the amount of the contracts made by an insurer in the course of carrying on his business as an alternative to winding up or otherwise.

1. A revenue account in the prescribed form should be prepared in respect of each class of business referred to in regulations 9 and 10.

2. The amount of premium is to be recorded in relation to the date on which the contract of insurance was incepted. In this connection “incepted” refers to the time when the liability to risk of the insurer under a contract of insurance commenced and, for this purpose, a contract providing permanent open cover should be deemed to commence on each anniversary date of the contract.

3. Premiums shall be shown less discounts, refunds and rebates.

4. Premiums, claims, surrenders and annuities shall be shown net of reinsurances and commissions shall be shown after taking into account commissions received on reinsurances ceded and commissions paid on reinsurances accepted.

5. If any sum has been deducted from an expenditure item and entered on the assets side of the Balance Sheet, the sum so deducted shall be shown separately.
6. All entries in the above forms shall be in respect of insurer’s total business i.e. Kenya business and outside Kenya business.

7. Particulars of each item of expense or income, as the case may be, included in and which accounts for more than ten percentum of the amount shown in respect of “other” income or “other” expenditure shall be given.

8. The basis on which reserves for unearned premium, unexpired risks and incurred but not reported claims in respect of each class of general insurance business were calculated should be stated by way of supplementary notes.

9. Where in respect of Aviation and/or Marine insurance business an insurer elects to account for the business on a three-year basis, he shall, in addition to the information furnished under Form INS. No. 54–1 (L.N. 108/2002), furnish the break-up in the Form INS. No. 54-3 (L.N. 108/2002), and also attach a certificate, signed by the same persons as are required to sign the revenue account, stating whether the fund carried forward for each of the three years of account is, in their opinion sufficient.

DIRECTIONS FOR PREPARATION OF THE BALANCE SHEET

FORM INS. 54–5

2. An insurer when lodging with the Commissioner a statement in accordance with the above form in the Third Schedule shall—

   a) where any asset which is encumbered is included in a class of assets for which class a value is given in the statement, attach particulars of the asset, the nature of the encumbrance and the amount secured by the encumbrance;

   b) attach particulars of all contingent liabilities of the insurer (including contingent liabilities arising from the endorsement of bills of exchange) other than liabilities under contracts of insurance;

   c) attach particulars of each liability and asset which accounts for more than ten percentum of the total amount shown in respect of each of the items marked on the above form with the symbol*; and

   d) deduct amounts for bad and doubtful debts in calculating the amounts to be inserted in respect of the items marked with the symbol**.

3. The value of an asset or liability shall be the value of that asset or liability as determined in accordance with such criteria as may be prescribed by a professional body of accountants, if any, or in accordance with generally accepted accounting concepts, bases and policies or other generally accepted methods deemed by accountants practising in Kenya to be appropriate for insurers transacting business in Kenya.
PART A – PROVISIONS RELATING TO THE PREPARATION OF ABSTRACTS OF ACTUARY’S REPORTS

SECTION I

1. Abstracts and statements shall be so arranged that the numbers and letters of the paragraphs correspond with those of the provisions of section II of this Schedule.

2. Where any table of mortality or sickness used in a valuation is not a published table, then for the purpose of complying with provision (3) of Part II of this Schedule, specimen policy values shall be given at the rate of interest employed in the valuation in respect of whole life insurance policies effected at the respective ages of 20, 30, 40 and 50 and having been in force respectively for five years, ten years and upwards at intervals of ten years; and similar specimen policy values shall be given in respect of endowment insurance policies effected at the respective ages of 20, 30 and 40 for endowment terms of twenty and thirty years, and in the case of policies involving continuous disability benefits, specimens of the valuation factors must be given:

3. In showing the proportion which that part of the annual premiums reserved as a provision for future expenses and profits bears to the total of the annual premiums, in accordance with the requirements of provision (4) of Part II of this Schedule, no credit is to be taken for any adjustments made in order to ensure that no policy is treated as an asset.

4. (i) The average rate of interest earned or yielded in any year by the assets constituting a statutory fund shall, for the purpose of provision (5) or Part II of this Schedule, be calculated by dividing the interest of the year by the mean fund of the year; and for the purposes of any such calculation the interest of the year shall be taken to be the whole of the interest, dividends and rents credited to the statutory fund during the year after deduction of rates and taxes (any refund of rates or taxes made during the year being taken into account), and the mean fund of the year shall be ascertained by adding a sum equal to one half of the aggregate of the balance or balances of the revenue account or accounts and the balance or balances of any reserve accounts in respect of the long term insurance business to which the statutory fund relates at the beginning of the year to a sum equal to one half of the aggregate of the balances of those account at the end of the year, and deducting from the aggregate of those two sums an amount equal to one half of the interest of the year.

(ii) It must be stated in what manner the sums invested in reversions and the income and profits derived from those reversions have been treated in circulating the average rate of interest.

5. Every abstract prepared in accordance with the requirements of Part II shall be signed by an actuary and shall contain a certificate by him to the effect that he has satisfied himself as to the accuracy of the valuation made for the purpose thereof and of the valuation data:

Provided that if the actuary who signs the abstract is not a permanent officer of the insurer, the certificate as to the accuracy of the valuation data shall be given and signed by the principal officer of the insurer and the actuary shall insert in the abstract a statement signed by him showing what precautions he has taken to ensure the accuracy of the data.

The statements required to be prepared under this Part are the following:

1. Statements as to policies issued in Kenya, separately prepared in respect of policies with and without participation in profits, showing—

(b) in relation to endowment insurance policies, the rates of office premiums charged, in accordance with the published tables in use, for new policies with original terms of ten, fifteen, twenty, thirty, and forty years giving the rates for ages at entry 20, 30 and 40, but excluding policies under which the ages at maturity exceed 60;

(c) in relation to policies specified in sub-paragraphs (a) and (b) of this paragraph under which a continuous disability benefit is granted, the office premiums for that benefit under new policies, and the conditions which must be fulfilled before a continuous disability benefit—

2. Statements separately prepared in respect of policies with immediate profits, with deferred profits, and without profits showing in quinquennial groups—

(ii) the amount per annum, after deducting abatements made by application of bonus, of office premiums payable throughout life, and of the corresponding net premiums grouped according to ages attained; and

Provided that—

(a) in relation to endowment insurance policies or sinking fund policies which will reach maturity in less than five years, and are
grouped for the purposes of the valuation according to the years in which the policies will mature for payment, the information required by subparagraphs (b)(i), (c)(i) and (d)(i), above shall be given for each year instead of in quinquennial groups; and
(b) where the net premiums in respect of policies for the whole term of life with premiums payable for a limited number of years, or the net premiums in respect of endowment insurance policies, are grouped for the purposes of the valuation otherwise than according to the number of years' payments remaining to be made, or where the sums insured under endowment insurance policies are grouped for the purposes of the valuation otherwise than according to the number of years in which the policies will mature for payment or in which they are assumed to mature if earlier than the true year, then, in any such case, the valuation constants and an explanation of the method by which they are calculated shall be given for each group, and, in the case of the sums insured under endowment insurance policies, a statement shall also be given of the amount insured maturing for payment in each of the two years following the valuation date.

6. Statements showing in quinquennial groups the amount per annum of continuous disability benefits payable at the valuation date in respect of disability of more than one year's duration, grouped according to ages attained.

7. Statements showing the total amount of continuous disability benefit paid and premiums waived in each of the five years immediately preceding the valuation date.
REGULATIONS RELATING TO ACTUARIAL VALUATION OF LIABILITIES

1. The basis of valuation adopted shall be such as to place a proper value upon the liabilities, having regard to the mortality experience among the persons whose lives have been insured by the insurer, to the average rate of interest from investments and to the expenses of management (including commission), and shall be such as to ensure that no policy shall be treated as an asset.

2. The value placed upon the aggregate liabilities of a statutory fund in respect of policies by reason of the adoption of any basis of valuation shall not be less than it would have been if it had been calculated on the minimum basis in accordance with the provisions of the Seventh Schedule.

3. The actuary who makes the valuation shall certify whether, in his opinion, the value placed upon the aggregate liabilities of a statutory fund in respect of policies by the valuation is not less than the value which would have been place upon those aggregate liabilities if it had been calculated on the minimum basis in accordance with the provisions of the Seventh Schedule.

4. Where the balance sheet of the insurer includes amongst the assets of the long term insurance business to which a statutory fund relates any sums representing expenses of organization or extension, or the purchase of business or goodwill or other intangible assets, and the amount of the other assets of that business (after deducting debts due by the insurer in respect of that business) is less than the balance of the revenue accounts, as the case may be, as shown in the balance sheet in respect of that business—

   (a) where the statutory fund relates to one class of long term insurance business only, the balance of revenue account shall be shown in the appropriate valuation balance sheet as reduced by the amount of the deficiency; and

   (b) where the statutory fund relates to more than one class of long term insurance business, the balances of the revenue accounts in respect of each class of long term insurance business shall each be shown in the appropriate valuation balance sheet as reduced by a portion of the amount of the deficiency, being a portion ascertained by apportioning the amount of the deficiency between those revenue accounts so that the amount to be apportioned to each account bears to the amount to be apportioned the same proportion as the balance of that account bears to the sum of the balances of those accounts.

RULES FOR THE CALCULATION OF THE VALUE OF LIABILITIES ON THE MINIMUM BASIS

3. For the purposes of paragraph (2) of this Schedule “Registered” means registered under the Income Tax Act (Cap. 470).

4. When for certain types of policies a valuation is done by accumulation with compound interest of the premiums paid, the premiums to be accumulated shall not be less than ninety percentum of office premiums and the rate of interest shall not be less than the rate currently paid by the office on all withdrawals or surrenders under that plan.

5. The liability in respect of a policy other than the type of policy referred to in paragraph (4) shall be the difference between the capitalized values as at the valuation date of—

   (a) the reversion in the sum insured, including any reversionary bonuses declared in respect of the policy and still attaching to the policy at the valuation date; and

   (b) the future adjusted net premium, less any reduction of those premiums which may have been granted as a bonus, or obtained by the giving of any valuable consideration according to the contingencies upon which they are respectively payable.

6. For the purpose of rule 5—

   “adjusted net premiums” means the net premium for the policy increased by the difference between the net premium and the net premium that would apply (according to the rate of interest and rates of mortality assumed) if—

   (i) the policy had been issued one year after the actual date of its issue; and

   (ii) in cases where the premiums are payable for a limited period, the premiums were payable for a period one year less than that limited period;

   “net premium” means such premium exclusive of any addition for bonuses, office expenses and other charges, as (according to the rate of interest and rates of mortality assumed and the age, at the date of the issue of the policy, of the person whose life is insured) is sufficient to provide for the risk incurred by the company in issuing the policy.

7. No policy shall be treated as an asset.

TWELFTH SCHEDULE

[S. 88(1) and Regulation 24.]

RULES FOR ASCERTAINING THE AMOUNT OF A PAID UP POLICY

1. In respect of any policy (other than a policy for the whole term of life where the premiums are payable throughout life), on which the maximum number of annual premiums payable is fixed and premiums are of uniform amount, the paid up sum assured, exclusive of bonus additions, shall be the sum which bears to the original sum insured the same proportion as the number of complete month’s premiums which have been paid on the policy bears to the number of months premium originally payable.

[Issue 1]
2. In respect of any policy for the whole term of life (where the premiums are payable throughout life), the paid up sum assured, exclusive of bonus additions, shall be a sum bearing the same proportion to the value of the policy as the sum of one shilling bears to the present value (at the attained age of the person whose life is insured) of the reversion in the sum of one shilling according to the contingency upon which the sum insured under the original policy was payable.

3. If it is the practice of an insurer to permit paid up policies to participate in profits and if the insurer’s actuary is of the opinion that the paid up value arrived at by the application of rule 1 or 2 of this Schedule should be reduced suitably, it may be so done with the approval of the Commissioner of Insurance.

4. (1) For the purpose of rule 2, the value of the policy shall be the difference between the present values (at the attained age of the person whose life is insured) of—
   (a) the reversion in the sum insured according to the contingency upon which it is payable; and
   (b) the future net premiums.

   (2) “Net premium” as used in subrule (1)(b) means such premium, exclusive of any addition for bonuses, office expenses and other charges, as is sufficient (according to the rate of interest and rates of mortality assumed and on the assumption that the age of the person whose life is insured is the age at his birthday next following the date one year after the date of the issue of the policy) to provide for the risk incurred by the insurer in issuing the policy.

5. (1) For the purpose of this scheme, the calculations shall be made as at the day immediately preceding that on which the first premium which has not been paid falls, or fell due.

   (2) For the purposes of this Rule, any premium which has not been paid in cash and which is deemed to be a debt owing to the insurer shall be deemed to have been paid.

6. For the purposes of rules 2 and 4—
   (a) interest shall be assumed at the rate of 3½ percentum per annum;
   (b) the rates of mortality shall be assumed, in the case of an ordinary life policy, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the title “A 1949-52 Tables for Assured Lives” and, in the case of a policy of industrial life assurance, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and the Faculty of Actuaries in Scotland under the short title “A 1924-29 Table”.

7. There shall be added to the amount (exclusive of bonus additions) of any paid up policy calculated in accordance with rule 1 or rule 2, the amount of all reversionary bonuses declared upon (and still attaching to) the original policy.

THIRTEENTH SCHEDULE
[S. 89(3) and Regulation 25.]

RULES FOR ASCERTAINING THE SURRENDER VALUE OF A POLICY

1. The surrender value of a policy at any date shall be the present value (according to the contingency upon which the policy is payable) of the amount of the paid up policy which would be granted as at that date, determined according to the rules prescribed in the Twelfth Schedule or the amount payable at death if death were to occur at the date at which the surrender value is calculated, whichever is the less.
For the purposes of determining the present value of the amount of paid up policy under rule 1—

(a) interest shall be assumed at the rate of 6½ percentum per annum for contracts registered in terms of the Income Tax Act (Cap. 470) and 5 percentum per annum for all other contracts;

(b) the rate of mortality shall be assumed, in the case of an ordinary life policy, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the title “A 1949-52 Tables for Assured Lives” and in the case of a policy of industrial assurance, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the short title “A 1924-29 Table”; and

(c) in the case of a policy issued for a term other than the whole term of life, the remaining term at the date as at which the surrender value of the policy is calculated shall be obtained by deducting from the original term of the policy the duration of the policy in completed years and months at that date.

(3) A person shall not be qualified to be appointed as the chairman or member of the Tribunal or if already appointed shall become disqualified if—
   (a) he or his spouse or dependent child is or becomes a director, officer, employee or shareholder, whether directly or indirectly, of an insurer, broker or insurance agent; or
   (b) he is adjudicated bankrupt, applies to take the benefit of any law for the relief of bankrupt or insolvent debtors, compounds with his creditors or makes an assignment of his remuneration for their benefit.
(4) A member of the Tribunal may at any time resign his office by notice in writing addressed to the Minister.
(5) The Minister may cancel the appointment of the chairman or a member of the Tribunal on the ground of his infirmity, incapacity or misbehaviour, or if he is absent from three consecutive meetings of the Tribunal without leave of the Tribunal.
(6) Subject to these Rules, the Tribunal may act notwithstanding a vacancy in its membership, and the presence or participation of a person not entitled to be present or to participate in the proceedings of the Tribunal as a member shall not invalidate the proceedings.

4. Tribunal secretary

(2) Subject to section 18 of the Act, the secretary shall, in matters relating to appeals to the Tribunal and procedure therefor, comply with any general and special directions lawfully given by the chairman.

(3) The secretary shall, by notice in the Gazette, notify his address for the presentation of service of documents for the purposes of these Rules, and shall in the same manner notify any change in that address.

5. Presentation of appeals

(1) Every appeal under section 146 of the Act by an insurer aggrieved by a refusal of the Corporation under that section shall be entered by presentation of a memorandum of appeal together with five copies thereof, to the secretary.

[L.N. 107/2002, s. 2.]

6. Memorandum of appeal

A memorandum shall be assigned by the appellant and shall set forth concisely under distinct heads, numbered consecutively, the grounds of appeal without any argument or narrative.

7. Memorandum to be accompanied by appellant’s statement and fees

(1) Each copy of a memorandum shall be accompanied by a statement signed by the appellant setting out precisely all the facts on which the appeal is based and referring specifically to any documentary or other evidence which it is proposed to adduce at the hearing of the appeal; and there shall be annexed to the statement of facts a copy of each document referred to upon which the appellant proposes to reply as evidence at the hearing of the appeal.

(2) The fee for presentation of a memorandum shall accompany the memorandum and shall be paid by banker’s draft drawn in favour of “The Permanent Secretary to the Treasury”.

8. Service of memorandum on Commissioner

Within forty-eight hours after the presentation of a memorandum to the secretary, a copy thereof and of the statement of facts of the appellant and the document annexed thereto shall be served by the appellant upon the Commissioner or the Corporation as the case may be.

9. Commissioner’s dealing with memorandum

(1) The Commissioner or the Corporation, as the case may be, shall, if he or it does not accept any of the facts of the appellant, within twenty-one days after service thereof under rule 8, file with the secretary a statement of facts together with five copies thereof and the provisions of rule 7 shall mutatis mutandis apply to that statement of facts.

(2) At the time of filing a statement of facts pursuant to subrule (1) the Commissioner of the Corporation, as the case may be, shall serve a copy thereof together with copies of any documents annexed thereto, upon the appellant.
(3) If the Commissioner or the Corporation, as the case may be, does not desire to file a statement of facts under this rule he shall forthwith give written notice to that effect to the secretary and to the appellant, and in that case the Commissioner or the Corporation shall be deemed at the hearing of the appeal to have accepted the facts set out in the statement of facts of the appellant.

10. Notice to chairman of memorandum and hearing notice

(1) As soon as may be convenient after receipt by him of the memorandum the secretary shall notify the chairman thereof.

(2) The chairman shall, after the Commissioner or the Corporation, as the case may be, has filed a statement of facts or has notified the secretary that he or the Corporation, does not intend to do so, fix a time, date and place for the meeting of the Tribunal for the purpose of hearing the appeal, and the secretary shall cause notice thereof to be served on the appellant and the Commissioner or the Corporation.

(3) The secretary shall cause to be supplied to each member of the Tribunal a copy of the notice of hearing and of all documents received by him from the parties to the appeal.

(4) Unless the parties to the appeal otherwise agree, each party shall be entitled to not less than seven days’ notice of the time, date and place fixed for the hearing of the appeal.

11. Procedure at hearing of appeal

(1) At the hearing of an appeal the following procedure shall be observed—

(a) the Commissioner or the Corporation, as the case may be, shall be entitled to be present or to be represented;

(b) the appellant shall state the grounds of his appeal and may support it by any relevant evidence:

Provided that, except with the consent of the Tribunal and upon such terms as it may determine, the appellant may not at the hearing rely on any grounds of appeal other than a ground stated in the memorandum and may not adduce any evidence of facts or documents unless those facts have been referred to in, and copies of those documents have been annexed to, the statement of facts of the appellant;

(c) at the conclusion of the statement and evidence on behalf of the appellant the Commissioner or the Corporation, as the case may be, shall be entitled to make such submissions, supported by such relevant evidence, as may be necessary to support his case, and the provisions of the proviso to subparagraph (b) shall mutatis mutandis apply to evidence of facts and documents to be adduced by the Commissioner or by the Corporation;

(d) the appellant shall be entitled to reply but may not raise any new issue or argument;

(e) the chairman or any member of the Tribunal shall be entitled at any stage of the hearing to ask such questions of the appellant or the Commissioner or the Corporation, as the case may be, or any witness examined at the hearing as he considers necessary to the determination of the appeal;

(f) a witness called and examined by either party may be cross-examined by the other party to the appeal and if so cross-examined may be re-examined;

(g) a witness called and examined by the Tribunal may be cross-examined by either party to the appeal;

(h) the Tribunal may adjourn the hearing of the appeal for the production of further evidence or for other good cause, as it considers necessary, on such terms as it may determine;
(i) before the Tribunal considers its decision the parties to the appeal shall withdraw from the meeting, and the Tribunal shall deliberate the issue according to law and reach its decision thereon;

(j) the decision of the Tribunal shall be determined by a majority of the members present and voting at the meeting, and in the case of an equality of votes the chairman shall have a casting vote in addition to his deliberative vote;

(k) minutes of the meeting shall be kept and the decision of the Tribunal recorded therein.

(2) The Tribunal may for good and sufficient cause and in particular where necessary or expedient in circumstances where publicity would prejudice the interests of justice, exclude from its proceedings persons other than the parties thereto and their legal representatives.

(3) The Tribunal may at any time in proceedings before it, and shall if a party requests, refer a question of law arising in the proceedings to the High Court, unless in the Tribunal’s opinion, the raising of the question is merely frivolous and vexatious.

(4) Where a question of law has been referred to the High Court under paragraph (3), the High Court shall give its decision upon the question and the Tribunal shall dispose of the appeal in which the question arose in accordance with that decision.

(5) In this rule a question of law does not include a question whether there is sufficient evidence to justify a finding of fact by the Tribunal.

(6) In matters of procedure not governed by these Rules or the Act, the Tribunal may determine its own procedure.

12. Admissibility of documents

Except where the Tribunal in any particular case otherwise directs or where any party to the appeal objects, copies of documents shall be admissible in evidence:

Provided that the Tribunal may at any time direct that the original shall be produced notwithstanding that a copy has already been admitted in evidence.

13. Costs

The costs of an appeal shall be costs in the discretion of the Tribunal and shall be taxed by the Registrar of the High Court in the same manner as bills of costs in the High Court are taxed.
INSURANCE (STATISTICS) REGULATIONS, 1993

1. These Regulations may be cited as the Insurance (Statistics) Regulations, 1993, and shall be deemed to have come into operation on the 1st January, 1992.

2. Every insurer registered or authorized to carry on insurance business in Kenya shall prepare the statistics in accordance with the Twenty-sixth Schedule and four copies thereof duly authenticated and certified in the manner shall be deposited with the Commissioner within six months, after the end of the period to which they relate.
