8. In the event of a real or apparent emergency and or a disaster has occurred or is imminent, the Committee or other persons designated in the plan shall cause the plan to be implemented.

PART III — DISASTER MANAGEMENT

County government to take measures

9 (1) Subject to the provisions of this Act, the county government may take all such measures as it considers necessary or expedient for the purpose of disaster management.

(2) Without prejudice to the generality of subsection (1), the measures which the county government may take include measures with respect to all or any of the following matters, namely—

(a) co-ordination of actions of the departments and divisions of the county government, county governmental and non-governmental organizations in relation to disaster management;

(b) co-operation and assistance to any other person, as requested by them or otherwise considered appropriate by it;

(c) establishment of institutions for research, training and developmental programmes in the field of disaster management at the sub county level; and

(d) such other matters as it considers necessary or expedient for the purpose of securing effective implementation of the provisions of this Act.
(3) The county government may extend such support to other counties affected by a major disaster as it may consider appropriate on such terms as shall be decided by the Committee.

Declaration of emergency

10. (1) For the purposes of this Act—

(a) An emergency exists when the Governor declares, by notice that a state of emergency exists in the county after receiving advice from the Committee;

(b) a threatened disaster exists when—

(i) the Governor declares by notice, after receiving advice from the Committee under subsection (2) that there is substantial prospect that a disaster shall occur; or

(ii) an agency, whether within the county or otherwise, acknowledged by the Committee as an Accredited Disaster Notification Service under subsection (3), broadcasts or otherwise publishes a formal announcement warning persons of the threat of the striking of a disaster.

(2) The Committee shall formally advise the Governor and at any time it considers appropriate, of the occurrence or the likely occurrence of a disaster.

(3) The Committee may acknowledge an agency, within the county, which it considers to possess the technical expertise in the prediction or assessment of risk of any kind of disaster, as an Accredited Disaster Notification Service for the purposes of this Act.

(4) An acknowledgment under subsection (3) may be general or limited to specified kinds of disaster.

Communication of declaration

11. Immediately upon declaration of a state of emergency, the Governor shall cause the details of the declaration to be communicated by the most appropriate means to the residents of the affected area.

Duration of declaration

12. (1) A declaration under section 11 is valid for a period of 14 days from the date of the declaration.

(2) Notwithstanding the provisions of subsection (1) above, the Governor may, if necessary, extend the duration of the declaration for further period of 14 days for as long as the disaster persists.
Emergency powers

13. Upon the declaration of, and during a state of emergency, the Governor may, in respect of the county, issue an order to a person, body of persons or organization to do everything necessary to prevent or limit loss of life and damage to property or the environment, including any one or more of the following things—

(a) cause emergency plans to be implemented;
(b) utilize any property considered necessary to prevent, combat or alleviate the effects of any emergency or disaster;
