**THE BARINGO COUNTY PROJECT IMPLEMENTATION AND
MANAGEMENT BILL, 2018**

A Bill for

AN ACT of the County Assembly of Baringo to give effect to Article 176 (2) and 185 and Schedule IV of the Constitution and to provide for establishment of county project implementation and management units.

ENACTED by the County Assembly of Baringo As follows —

PART I—PRELIMINARY

- Short title. **1.** This Bill may be cited as the County Government of Baringo Project Implementation and Management Bill, 2018 and shall come into force on the date of assent.
- Interpretation. **2.** In this Bill, unless the context otherwise requires —
 “**Facility**” means any development projects established under this Bill or determined by the County Government;
 “**Projects**” means all such development undertakings undertaken on behalf of the County Government by committees established under this Bill;
 “**Executive Member**” means the Executive committee member of the specific devolved function which the project falls;
 “**Executive Member**” means the Executive committee member of the specific devolved function which the project falls;
 “**Management units**” means project implementation committees or bodies established or designated under this Bill;
 “**Special project committee**” means committee established under this Act for special or specified projects not necessarily within the County Integrated Plan and the Budget but are to be undertaken by the County Government.
- Object and purpose of the Act. **3.** The object and purpose of this Bill is to provide for a legal framework for further devolution of the County Government functions, establishing project implementation and management committees, and to —
 (a) Ensure harmony between county, sub-county, ward administrator, Member of County Assembly and Ward project management units;

- (b) Facilitate the participation of local communities in the implementation of county development projects.
- (c) Ensure efficient and effective service delivery across the county;
- (d) Provide a platform to harmonise and ensure equity in the implementation of county development projects and services;
- (e) Ensure effective project implementation at integrated areas of economic and social activity;
- (f) Provide for management of county projects in a manner that ensures reduction of bureaucracy in procurement and availability of funds;
- (g) Provide a framework that allows direct funding of county development projects on need basis.
- (h) To further devolve the functions and resources of the County Government and to ensure participation and involvement of the county citizenry in management of its affairs.

Principles
of Project
Management and
Development.

4. The principles of project implementation and management in the county shall be to —

- (a) Integrate community, county and national values in all processes and concepts;
- (b) protect the right to self-fulfillment of the communities responsibility within the county and bear to future generations;
- (c) Promote good corporate governance principles in all procurement and implementation of development projects;
- (d) Ensure effective resource mobilization for sustainable development;
- (e) Promote the pursuit of equity in resource allocation within the county;
- (f) Provide a platform for unifying project management, budgeting, financing, programme implementation and performance review; and
- (g) Serve as a basis for engagement between county government and the citizenry and other stakeholders and interest groups.

PART II—ADMINISTRATION

Establishment of
the county project
management units.

5. (1) There is established such county project management and implementation units as shall be determined by the County Executive Committee Member in consultation with the County Executive Committee for each devolved functions with the approval of the County Assembly.
