MEMORANDUM OF REASONS

The Busia County Ward Development Fund (Amendment) Bill, 2014 seeks to amend the provision of the The Busia County Ward Development Fund (Amendment) Act, 2014 to comply with proper financial management principles.

Clause 3 of the Bill seeks to delete sporting activities, money for emergency purposes and for bursaries as well as Mock examinations from the list of what can be funded under section 5 of the Principal Act.

Clause 4 of the Bill seeks to amend section 6A of the Principal Act. It seeks to create the office of the Chief Executive of the Fund appointed by the Member of the Executive Committee with the approval of the County Assembly from among three persons proposed by the County Public Service Board.

The Chief Executive of the Fund is to be the Secretary to the County Committee and, for purposes of section 148 of the Public Finance Management Act, shall be the accounting officer of the Fund.

Clause 5, 6, 7, 9 (iii) and 11 (i) of the Bill seek to remove from the fund executive administrative structure the Sub-County Committee so that we are left with two levels in the structure; the Ward Committee at the ward level and the County Committee at the County level.

Clause 8 of the Bill seeks to amend the Principal Act with the effect of divorcing the Members of the County Assembly from any direct or indirect involvement in executive functions as provided for under section 9 of the County Governments Act.

Part VII of the Bill captures transitional provisions. It provides that Pending the appointment of the Village Administrators, the Ward Administrators to whom a particular village Administrator is supposed to report shall perform all the functions required of the village administrator under this Act.
