MEMORANDUM OF OBJECTS AND REASONS

Section 54 (1) of the County Governments Act provides for establishment of further structures of decentralised units. The principal object of this Bill is to amend Section 6, 13, 16 and 17 of the Kakamega County Administrative Units and Boundaries Act, 2015 so as to provide for the appointment criteria of members and chairperson of the County Administrative Boundaries Committee, provide for the delineation of community areas, cure ambiguities in the Act and introduce an internal redress mechanism for decisions made by the County Administrative Boundaries Committee.

The purpose of this amendment is therefore to ensure that in carrying out its functions the County Administrative Boundaries Committee is efficient, effective and accountable in its delivery of services and that it considers boundaries of further decentralised units to the community area level. The amendment also creates an internal redress mechanism to ensure speedy resolution of any complaints that may arise.

It is therefore my appeal that the Assembly and all stakeholders rally behind this Amendment Bill to have it enacted to ensure the county government achieves better and effective administration and delivery of services to the lowest level of its governance structures.

REUBEN NYAGWESO,
Chairperson, Public Service and Administration Committee.
