PART II A—GENERAL PRINCIPLES

3. The objective of this Act is to enable realization of the rights to health as provided for in the constitution of Kenya and to provide uniformity in respect of public health services across the County.

4. Every person within the jurisdiction of the County is entitled to a clean and healthy environment and has the duty to safeguard and enhances the environment.

5. Every person has the right to a clean and healthy environment, which includes the right——

(a) to have the environment protected for the benefit of present and future generations through legislative and other measures, particularly those contemplated in Article 69; and

(b) to have obligations relating to the environment fulfilled as stipulated under Article 70 of the constitution of Kenya.

PART II B—ADMINISTRATION

County Board of Health .

6.(1) There shall be established a County Board of Health. (hereafter referred as Board) having its seat at Nakuru, which shall consists of the Director of Public Health who shall be the chairperson, a
County Public Health Officer who shall be the secretary, and six other persons of whom shall be medical or health practitioners appointed from time to time by County Executive Member responsible for health services.

(2) In absence of the Director of Public Health, the board shall elect a chairperson from the members present.

7. The names of all members of the board shall be gazetted and the Gazette containing a notice of any such appointment shall be deemed sufficient evidence thereof for all-purpose.

8. The minimum number of the board members that can meet and transact any business shall be five (5) members.

9. The Executive Member of Health shall make rules on holding meetings, the quorum, the procedures, allowances payable to members thereof and the circumstances in which any member shall vacate his membership.

Functions of the Board

10. The function of the board shall be to advise the Executive Member of Health upon all matters affecting the Public Health and sanitation.

Function of Public Health Department.

11. (1) There shall be a department, to be known as the Public Health at the County, Sub County and Ward level which shall be headed by a Public Health Officer.

2) The functions of the Public Health Department shall be to promote Public Health and Sanitation, prevent and guard the introduction of infectious diseases into the County, suppression of infectious diseases, communicable or preventable diseases within the County, promote or carry out researches and investigations in connexion with the prevention or treatment of human diseases; to prepare and publish reports and statistical or other information relative to the public health; and generally to carry out in accordance with the directions the powers and duties in relation to the public health conferred or imposed by this Bill.

General Duties of Health Officer

12. It shall be the duty of health authority to take all lawful, necessary and, under its special circumstances, reasonably practicable measures for preventing the occurrence or dealing with any outbreak or Prevalence of any infectious, communicable or preventable disease, to safeguard and promote the public health and to exercise the powers and perform the
duties in respect of the public health conferred or imposed on it by this Bill or by any other law.

PART III—PREVENTION AND SUPPRESSION OF INFECTIOUS DISEASES

General Provisions

Inspection of Infected premises and Examination of persons suspected to be Suffering from Infectious Disease

13. (1) A medical officer or Public Health Officer may at any given time enter and inspect any premises in which he or she has reason to believe that any person or persons are suffering or who has recently suffered from any infectious disease is or has recently been Present, or any inmate of which has recently been exposed to infection of any infectious disease and may medically examine any person in such premises for the purpose of ascertaining whether such person is suffering or has recently suffered from any such disease.

OFFENCE

2) It shall be an offence for any person who knowingly fails to go for treatment or infect another person with an infectious disease or prevent another person from seeking treatment for an infectious disease.

3) Any person or persons who contravene this section shall be guilty of an offence and if convicted shall pay a fine of ten thousand shillings or imprisoned for three (3) months or both such fines and imprisonment.

PART IV—HOUSING AND SANITATION

Zoning for Development Purposes

14. (1) The County shall zone all areas under its jurisdiction for various uses. The use of any land or area shall include but not limited to industrial use, residential use, commercial use, business cum residential, public utility, schools, religious use or any other use the County may deem necessary.

Change of User of a Land

15. Any person who uses or develops a plot in any other way other than what the plot or place has been specifically designed for without a “change of user” from the County shall be guilty of an offence.
Health Authorities to Prevent or Remedy Danger from Unsuitable Building.

16. It shall be the duty of the County to take all lawful necessary and reasonably practicable measures for preventing or causing to be prevented or remedied all conditions liable to be injurious or dangerous to health arising from the erection or occupation of unhealthy dwellings or premises, or the erection of dwellings or premises on unhealthy sites or on sites of insufficient extent, or from overcrowding, or from construction, condition or manner or use of any factory or trade premises and to take proceedings against any person causing or responsible for the continuance of any such condition.

Building Standards and Approvals

17. 1. Any building either commercial, residential or any nature of dwelling shall adhere to human safety and health of the occupiers.

   2. Building must be well ventilated, lit and with approved sanitation system.

   3. High-rise building must have elevators and staircases and emergency exit of reasonable size (refer building codes).

   4. Every building must have provisions for the physically challenged persons.

   5. Construction must make provisions for rain water harvesting and storage.

   6. Every building must have provisions for sanitation services including waste receptacles for solid waste, soak pit for grey waste water and septic tanks where there is no sewer-line.

   7. The building construction area shall not exceed 75% of the total plot area of which the remaining shall be 25% open to the sky for proper lighting and ventilation.

   8. Every building plan shall be inspected approved and adhere to the relevant regulations.

   9. All buildings shall be well maintained and conform with hygiene and health standards.

   10. Any person who fails to obtain building plans approval before constructions shall be guilty of an offence.
Demolition of Dilapidated Structures

18. The county shall have power to demolish or cause to be demolished dilapidated structures for the purpose of enhancing beauty, safety and health within its areas of jurisdiction.

Penalty where not Expressly Stated

19. Any person who contravenes any section or by-law in the preceding part where no penalty is expressly stated shall be guilty of an offence and upon conviction be liable to a fine not exceeding Twenty Thousand Shillings or to imprisonment not exceeding two years or to both such a fine and imprisonment.

County to Maintain Cleanliness

20. (1) It shall be the duty of the County to take all lawful, necessary and reasonably practicable measures for maintaining its area all times in clean and sanitary condition, and for preventing the occurrence therein of or for remedying or causing to be remedied, any nuisance or condition liable to be injurious or dangerous to health and to take proceedings of law against any person causing or responsible for the continuous of any such nuisances or condition.

(2) The County Government shall approve, recognize, license and regulate small scale exhauster services through the use of other approved pit exhaustion means such as gulpers, Vacutug and other approved pumps.

(3) Any person who is involved in exhausting services without authority from the County Government shall be guilty of an offence.

Provision and use of Sanitary Facilities

21. (1) No person shall defecate or urinate in the public street or in the bush rather than in a latrine. Anybody who does contrarily shall commit an offence.

(2) No person/persons shall construct, use or rent any building or part of a building or buildings without a provision of sanitary facilities. Anybody who fails to provide shall commit an offence.

(3) Any person who fails to provide sanitary facilities shall be guilty of an offence and liable to a fine not less than ten thousand or three months imprisonment or both if convicted.

Feacal Sludge Management

22. The County Government shall ensure that the faecal sludge shall be disposed off in a manner that does not pose a risk to public health and environment. In areas where sewer network is available the relevant
mandated authority shall ensure that all sewers and appurtenances are adequately maintained and free from spillage and blockage. Any spillage shall be disinfected after the remedy. Any person, institution or authority propagating such spillages shall commit an offence.

Provision of Decentralized Waste Treatment

23. It shall be the duty of the County Government to provide decentralized waste water/sludge treatment facilities in areas where sewer network is not available. Any individual, institution or entities constructing / installing sludge treatment facilities shall seek approval from the County Government. Anybody who fails to seek for the approval shall commit an offence.

Re-Use of Treated Sludge

24. The County Government shall allow the use of treated sludge for agricultural activities or any other economic activities provided that approval of the same is obtained. The proprietor of such facilities shall bear full responsibility of removal and safe disposal of sludge from latrines in their premises.

Construction of Waste Receptacles

25. (1) No person shall construct any septic tank, storage tank, soak pits or sewage installation or other works for reception or dispose of sewage except with a written permission from the County Government.

(2) Such septic tanks, storage tanks, soak pits or sewage filter installation shall be constructed in such a manner and in such a position as to afford ready means of access thereto for the purpose of cleansing of the same and removing the contents thereof without being carried through any building.

(3) All septic tanks, storage tanks, filter installations or other works for treatment or reception or disposal of waste should be adequately and efficiently ventilated and be so protected as to prevent any nuisance.

(4) All construction of septic tanks, storage tanks or filters installation be constructed to ensuring that adequate and satisfactory provisions has been made for the periodic emptying of the same.

(5) All storage tanks, septic tanks or installations facilities shall be constructed of impervious materials so as to be water tight.

Offence

26. (1) Any person who is guilty of an offence under, contravention of, default complying with, any provision of the by-laws shall be liable on
conviction to a fine not exceeding Fifty Thousand Shillings or to six month imprisonment or to both such fine and imprisonment.

(2) Any person or firm who disposes off sewerage to an area not approved by the County Government for reception of such discharge shall be guilty of an offence.

PART V—STREET CLEANSING

County to Keep Streets Clean

27. The County shall undertake or contract out cleansing services in its area of jurisdiction as it may decide from time to time.

Owner or Occupier to Keep Premises Clean

28. (1) It shall be the duty of every occupier or owner or agent of a trade premise or any other development to clean or cause to be paved cleaned and to remove all wastes and maintain cleanliness of the frontage of his house, trade premise or any other development to the satisfaction of the Director of Public Health provided that the duty of the owner or occupier or agent shall not include cleaning of the main road, open space or public plot.

(2) No person shall place or cause or permit to be placed upon frontage of a house, building or any other structure any dirt, filth rubbish, stone, soil, demolition material or any sort of refuse.

29. Any owner or occupier of any premises who fails to clean or cause to be cleansed any paved area in connection to his or her premise shall be guilty of an offence.

County to Provide Street Litter Bins

30. The County shall provide litter baskets or bins for the disposal of litter in the streets and public places.

Indiscriminate Litter Disposal

31. Any person who throws or causes litter to be thrown in the street, or public places or deposits or otherwise disposes prohibited off litter in any place other than the litter baskets or bins provided, shall be guilty of an offence.

Direct Arrest for Those Found Littering

32. Any person found throwing or having thrown or causing litter to be thrown in streets or any public place shall be immediately arrested and dealt with in accordance with the provisions of these by-laws.
Indiscriminate Pasting of Posters Prohibited

33. (1) Any person or persons, firm or society or, companies religious or otherwise shall ensure that their posters, handbills or advertisement materials are pasted or displayed only in authorized surfaces, areas or places, failure to which it shall constitute an offence.

(2) Any person or persons, firm or society or organization, religious, political or otherwise which pastes or allows or causes to be pasted a posters, handbill or an advertisement material on an litter bin, dustbin or any other unauthorized surface or place shall be guilty of an offence.

Penalty

34. Any person guilty of an offence under the provision shall be liable on conviction to a fine not exceeding Twenty Thousand Shillings or in default to an imprisonment for a term not exceeding six months or to both such fine and imprisonment.

Penalty Where not Expressly Stated

35. Any person who contravenes any section or sections of the preceding part where no penalty is expressly stated shall be guilty of an offence stated and upon conviction be liable to a fine not exceeding Twenty Thousand Shillings or in default to imprisonment not exceeding six months or to both such a fine and imprisonment.

Medical Waste Management

36. (i) Generators shall handle and store medical waste in a safe manner that poses no threat to public health or to the environment and are under a duty to ensure that medical waste is removed from their premises, transported and disposed of in accordance with this Act

37. Without limiting the generality of the duty in paragraph

(i) Generators shall—

(a) Separate medical waste from other waste at the point of generation or source;

(b) store medical waste in leak-proof, sealable containers and ensure that containers which are used for the storage of sharps and other clinical items which can cause cuts or punctures or injections are, in addition, rigid and puncture resistant;

(c) Label each medical waste container indelibly and in large, legible lettering with;

(ii) The names and the address of the generator;
(iii) The words “Danger Medical Waste”, "Hatari; Sumu Kali” international bio hazard logo; and

(iv) The date on which the medical waste container is removed from the generator’s premises

(a) Prevent public access to medical waste containers, which are in use;

(b) Store filled medical waste containers in controlled, secure areas, which are reserved for the storage of medical waste;

(c) Make arrangements for the removal of medical waste from their premises and for the transportation of medical waste to a disposal site by a person who transports medical waste in terms of this Act and who is registered as a transporter;

(d) Make arrangements for the disposal of medical waste by a person permitted to dispose of medical waste in terms of this Act.

38. Generators may apply in writing to the county for permission to handle, store and otherwise deal with their medical waste in a manner which does comply with the requirements set out in these by-laws.

39. The County may in writing grant the permission referred to in this bill provided that it may grant such permission subject to conditions.

40. Generators may transport and dispose of medical waste, in the manner provided under this Act.

41. Generators must

(a) Maintain an up-to-date written record of medical waste removed from their premises in the format as prescribed from time to time by the County.

(b) Acquire from the disposer of the medical waste written notifications that the medical waste has been disposed of and, on receiving such notifications, indicate in their written records that the medical waste has been thus disposed of.

(c) Keep the written records referred to in (a) and the notifications referred to in (d) for a period of one year after the removal from their premises of the medical waste.

42. Transporters shall remove medical waste from the premises of a generator, transport, and store and deliver such medical waste to the site
The Nakuru County Public Health and Sanitation Bill, 2016

The Nakuru County Public Health and Sanitation Bill, 2016

at which it will be disposed of in a safe manner which poses no threats to human health or the environment—

(i) Without limiting the generality of the duty in paragraph.

(ii) Transporters shall—

(a) Not remove medical waste from the containers in which it has been stored;

(b) Transport and store medical waste in such a way that no member of public can gain access to the medical waste or the container in which it is stored;

(c) Transport medical waste in vehicles which are—

(i) capable of containing medical waste;

(ii) designed to prevent spillages;

(iii) constructed of materials which are easy to clean and to disinfect;

(iv) Capable of being secured in order to prevent unauthorized access;

(d) Deliver medical waste only to a person and site permitted to dispose medical waste in terms prescribed by this Act.

43. Transporters may apply in writing to the county for permission to remove, transport, store and deliver medical waste in a manner which comply with the requirements set out in this Act.

44. The County may in writing grant the permission subject to conditions.

45. Transporters may dispose of medical waste, provided that they do so in terms given in this Act.

46. Transporters shall maintain a written record in respect of each collection and deliver of medical waste, which they shall update simultaneously with each collection and delivery, and such record shall be in the format as prescribed from time to time by the county, and must keep such record for a period of one year from the date of which the medical waste is delivered.

(1) Medical waste may be disposed of by a person who complies with all terms and conditions attached to such permit and authorization.

(2) A person permitted in terms of subsection (1) to dispose of medical waste shall do so at the site at which the permit or authorization,
or both, permits him or her to dispose of medical waste, and may not dispose of medical waste at any other place.

(3) Persons who dispose of medical waste shall—

(a) Maintain and keep up-to-date record of each delivery to the disposal site in the format as prescribed from time to time by the County.

(b) Keep such record for a period of one year from the date on which the medical waste is disposed of.

47. Every transporter shall register with the county within 30 days of the coming into operation of this Act by completing and submitting a written notification to the County in format prescribed from time to time.

48. Generators and transporters shall advise the County of any changes to the information provided in terms of subsection (1) and (2) as soon as such changes takes place.

49. Any person who contravenes any provisions of this part or fails to comply with any given there under shall be guilty of an offence and upon conviction be liable to a fine not exceeding fifty thousand or a term of imprisonment not exceeding nine months or both fine and imprisonment.

PART VI — PUBLIC HEALTH NUISANCES

Nuisances Prohibited

50. No person shall cause a nuisance or shall suffer to exist any land or premise owned or occupied by him or of which he is in charge any nuisance or other condition liable to be injurious or dangerous to health.

What Constitutes a Nuisance?

51. (1) The following shall be deemed to be nuisance liable to be dealt with in the manner provided in this part—

(a) any vessel and any railway carriage or other conveyance, in such a state or condition as to be injurious or dangerous to health;

(3) Any person who willfully interferes/hinders or obstruct a county enforcement agent or any duly authorized county officer while in execution of his duty shall be guilty of an offence.

Penalty
109. (1) Any person convicted of an offence under this bill shall be liable to a fine not exceeding twenty thousand shillings or imprisonment for a period not exceeding one year.

(2) In case of a continuing offence an additional fine of three thousand shillings for each day on which such an offence continued.

(3) In addition to any penalty imposed in terms of Paragraph (i) and (ii), the person so convicted shall be liable to pay the cost of repair of any damage caused or costs incurred in remedying any damage resulting from such an offence.

Power to Prosecute

110. (1) A Health Authority may, by any of its officers or by any person specially authorized in writing by the Authority, prosecute for any contravention of, or offence against or default in complying with, any provision of this Act or any rule made or deemed to be made there under, if the contravention, offence or default is alleged to have been committed within or to affect his area.

Public Health Fund (cap 242)

111. (1) There shall be a fund to be known as public health and sanitation fund.

(2) All funds obtained from public health activities shall be retained within the department for primary health care services and sanitation activities within the County.

112. The executive member shall have powers to make rules and Regulations for better performance of this Act.
MEMORANDUM OF OBJECTS AND REASONS

The principal object of this Bill is to make provision for the imposition and recovery of a tax in respect of entertainments, and for other matters incidental and connected thereto. The bill provides for protection of foodstuffs and examination of those unfit for consumption. It also provides for proper methods of sanitation and housing and disposal of hazardous waste as well as conservation of the environment.

Statement on the Delegation of Legislative Powers and Limitation of Fundamental Rights and Freedoms

The bill does not delegate legislative powers nor does it limit fundamental rights and freedoms.

Statement of how the Bill Concerns County Governments

The Bill concerns the County Government in the sense that it deals with matters of Public Health and Sanitation at county level. It provides for safeguards against selling of unwholesome foodstuffs by requiring food sellers, preparers and those who store or display the same to have Food Hygiene Licenses.

Moreover, it is the duty of the County Government to exercise the powers vested in it to provide proper safeguards for the sale of food, drugs, cosmetics, devices and chemicals and in particular to direct its officers to produce samples for analysis. In case of an offence under this Act, an authorized officer of the County Government may take out proceedings for such an offence before any Magistrate having jurisdiction.

The Bill therefore concerns County Governments as it affects the Powers and functions of County Governments in terms of Article 110 (a) of the Constitution.

The enactment of this Bill will not occasion additional expenditure of public funds.

Statement on Delegated Powers to Legislate

The executive Committee member responsible for Health is empowered to bring into operation the various provisions of the Act or certain sections of the schedule. This is to put in place of the necessary physical, administrative and personnel infrastructure to aid in the operationalization of the Act.

JOSEPH LANGAT.
Chairperson, Health Services Committee.
