MEMORANDUM OF OBJECTS AND REASONS

Article 209 (4) and Part 2 of the Fourth Schedule of the Constitution of Kenya empowers counties to impose fees and charges for services provided and for regulatory purposes in respect of certain licensed activities. Examples include the power to licence undertakings that sell food (item 2 (d)) and to issue business and liquor licences (items 7 (b) and 4 (c)). These licensing powers are not taxing powers, but authority to charge fees for services rendered.

The Bill provides for the grant of single business licences by County Governments to conduct businesses in the County in accordance with the powers mentioned above in Part 2 of the Fourth Schedule of the Constitution of Kenya.

Part I of the Bill provides for preliminary provisions consisting of the short title and interpretation clauses.

Part II of the Bill outlines the licensing process. Clause 5 of the Bill establishes the office of the Chief Licensing Officer who shall be in charge of approving forms under the First Schedule. That Part provides that a person shall not carry out business unless they are holders of a single business license. An application for a business license shall be lodged with the Chief Licensing Officer upon payment of the requisite fees and may be made in an electronic format approved by the Chief Licensing Officer. If the Chief Licensing Officer is satisfied with the application, he shall grant the business license. The Chief Licensing Officer may also cancel or suspend a license for specific reason which must be outlined in writing and addressed to the applicant. The term of a single business license shall expire on 31st December of every year. A person may transfer a single business license to another proprietor upon the approval of the Chief Licensing Officer.

That Part also provides that persons aggrieved by the decision of the Chief Licensing Officer may appeal in writing to the County Executive Member for trade against the decision, who may confirm, vary or overturn the decision of the Chief Licensing Officer.

Part III of the Bill provides for authorized officers and administrative duties. The authorized officers under this part shall perform trade development and regulatory authority. Powers of authorized officers shall be as set out in the Second Schedule of the Bill. A copy of register of single business licenses shall be kept by the Chief Licensing Officer.

Part IV of the Bill concerns payment provisions. Determination of license fees shall be made by the County Executive Committee Member...

for finance as provided for under the Third Schedule or other Act of County Assembly.

Part V of the Bill relates to annual and quarterly reporting by the Receiver of Revenue. That part provides that such reports shall be lodged with the National Treasury, Controller of Budgets, County Treasury, and Commission on Revenue Allocation, Auditor-General and the County Assembly.

Part VI of the Bill provides for enforcement provisions. That part makes it an offence for a person to lie while filling an application form for a single business license. It also subjects authorized officers to punishment for misappropriation of public funds offences committed as per Part VII of the Public Finance Management Act, 2012. That part also provides that each business owner shall display their single business license and penalizes those who do not comply with this provision. That Part also gives the Chief Licensing Officer power to enter premises and require information.

Part VII of the Bill outlines miscellaneous provisions such as power of the County Executive Committee Member for finance to make regulations. Powers to make regulations regarding trade regulation and development shall be the reserve of the County Executive Committee Member for Trade and Industrial Development. That part also saves the collection of single business license revenue in the absence of the Act.
