10. (1) A rate becomes due on the first day of the year or such other prescribed date of each year.

(2) The County Government must by notice in the county Gazette specify the date on which a rate becomes payable and may publish that date in a newspaper circulating in the county or in the county website.

(2) If the owners of the land are joint registered owners or tenants in common, they are jointly and severally liable for the payment of the rate.

15. (1) If any rate or any part of a rate remains unpaid after the day on which the rate became payable, the rate or part of the rate, as the case requires, and any interest on any such unpaid rate or part as provided for in section 12, is recoverable in a court of competent jurisdiction as a debt due and owing to the County Government from the person liable for payment of the rate.

(2) The written notice—

(a) is to state the amount of such arrears, which may include interest calculated in accordance with section 12; and

(b) is to state that all future payments of rent (whether already accrued due or not) by the person paying the rent are to be made directly to the County Government until such arrears and interest have been paid in full.

(3) The notice operates for purposes to transfer to the County Government the right to recover, receive and give a discharge for such rent.

17. (1) Any rate due, together with interest calculated in accordance with section 12, is a charge against the land on which the rate was imposed.

(2) If the title to such land is registered under any law relating to the registration of title to land, the County Government may deliver a notification of such charge, in the prescribed form, to the registrar who must register it against the title to that land and the charge takes priority in accordance with such law.

18. The County Government may, upon payment of the prescribed fee by any person, issue to that person a clearance certificate of the payment of rates for an area of land.

19. Documents are to be published, sent or served for the purposes of this Bill in accordance with the requirements of section 16 of the Trans-Nzoia County Revenue Administration Act 2015.

20. (1) The county executive member responsible for finance may make rules generally for the better carrying out of the provisions and purposes of this Act.

(2) Without limiting subsection (1), rules may be made for the following purposes:

(b) exemption, waiver or reduction of rates;
(c) prescribing fees for services;
(d) prescribing forms;
(e) publication and service of notices and other documents.

(3) Different rules may be made in respect of different forms of rating or different rating areas.

21. (1) If, immediately before the coming into operation of this Act, there is in force under any law a form or method of rating in respect of any area of the county which the county assembly is empowered to adopt under this Act, that form or method of rating is adopted by reference under this Act and continue to apply in respect of that area, subject to such modifications (if any) as may be necessary to bring such form or method of rating into conformity with the provisions and requirements of this Act and any rules made under this Act.

(2) Any rules, in force immediately before the coming into operation of this Act, are adopted by reference under this Act and continue in force for the purposes of this Act, subject to such modifications (if any) as may be necessary to bring such rules into conformity with the provisions and requirements of this Act.

(3) A valuation roll or supplementary valuation roll that would have been in force immediately before the coming into operation of this Act in respect of the county or a part of the county, is deemed to be in force for the purposes of this Act as if that valuation roll or supplementary valuation roll were made in compliance with this Act.
