MEMORANDUM OF OBJECTS AND REASONS

1. PURPOSE
The purpose of this Memorandum is to request the County Assembly’s consideration and approval of the Mombasa Local Tourism Bill, 2017 and its direction that the Bill be introduced in the County Assembly.

2. BACKGROUND
With the promulgation of the new constitution and advent of devolution, the constitution of Kenya, 2010 distributed functions between the national government and county governments. Part 2, paragraph 7(d) of the Fourth Schedule includes local tourism among the county functions.

Tourism in Kenya is currently regulated by the Tourism Act, 2011. However, even with the implementation of the Act, the tourism industry in Kenya has continued to face a myriad of challenges which are now threatening to derail the sector. A number of challenges have been cited such as poor marketing, rising insecurity and the ministry of tourism failure to implement the Act.

Mombasa’s rich history especially being a regional tourist, cultural and economic hub should not be shaken at whatever cost. It is in view of the above that the County Government of Mombasa finds it prudent to deal firmly with this issue by complimenting the national government through County legislation.

This Bill is therefore necessitated by the need to have a legislative framework to compliment the Tourism Act, 2011 by regulating the local tourism sector in Mombasa County.

3. OUTLINE OF THE BILL
Part I
This Part is preliminary. It contains provisions on the name of the proposed Act, interpretation of words used in the Bill, objects of the Bill and the guiding principles and values of local tourism.

Part II
This part contains provisions on policy, coordination and oversight of the local tourism industry.

It among others elaborates on the powers and duties of the county executive committee member responsible for tourism, and provides for the establishment of a local tourism information system and code of conduct for local tourism.
Part III
This Part dwells on service delivery. It establishes the Tourism Directorate to provide local tourism services in the County through avenues such as public-private partnerships, monitoring, evaluation and sustainable tourism.

Part IV
This part establishes the Local Tourism Fund. It inter alia, expounds on how the monies for the fund will be appropriated as well as how the funds will be utilized.

Part V
This part is on taxes, fees and charges that may be imposed in relation to delivery of local tourism related services.

Part VI
This part contains general provisions relating to conduct of employees of the directorate, offences, safety of tourists and the county executive committee member power to draft regulations.

4. RECOMMENDATIONS
The Assembly is requested to—

(a) note the contents of this Memorandum;

(b) publish the Bill and table it for First Reading;

(c) that in line with the legislative and constitutional platforms, the relevant house committee commences consultations with the relevant stakeholders and subject the Bill to thorough public participation.

The enactment of this Bill will occasion additional expenditure of public funds which shall be provided in the estimates.

MURFAD AMUR,
