MEMORANDUM OF OBJECTS AND REASONS

The Constitution mandates and empowers the county governments with the responsibility of betting control and licensing.

Further, the purpose of this Bill is to ensure that the function of betting control and licensing is immediately and effectively implemented at the county level and those mechanisms are provided for this in county legislation.

The objects of the proposed law as set out in clause 4 are—

(a) give further effect to paragraph 4 of the Fourth Schedule to the Constitution which mandates the county government with the function of betting control and licensing;

(b) To ensure that the national government policy on the control of betting as set out in the national legislation is implemented at the county level in accordance with the requirements of the Constitution to the effect that Government at either shall among other things, as appropriate, implement the legislation of the other level of government; and

(c) to provide for the county institutions and for procedures applicable to the control and licensing of betting within the county.

The county government is at liberty to establish its own institutions that will manage the licensing and control of betting. These institutions are also expected to implement the national government policy on the control and regulation of betting.

This Bill provides for the County Betting Licensing and Control Board to be chaired by a citizen resident in the county and who shall be appointed by the Governor.

The other members will be drawn from various sectors and stakeholder groups and the county public service.

There would be need for collaboration between the two governments on this issue especially on enforcement.

The Bill also provides for the gaming tax of twelve and a half percent to be levied on each casino in respect of cumulative winnings for each month. This is currently collectible by the national government and since this activity now falls within the powers of the county government, the tax is to be collected by the county government.

PURITY Wanjiru Mithaa,
Chairperson, Finance and Economic Planning.
