MEMORANDUM OF OBJECTS AND REASONS

The County Government of Migori is indeed a Government, properly constituted under the Constitution of Kenya. The Government has two arms, namely, the Executive and the County Assembly. The County Assembly has the mandate on matter of county legislation. This legislation includes regulation of various matters within the purview of the powers and functions of the County Government.

County legislation like any other law requires implementation and enforcement. To achieve enforcement of the laws, the County Government must through legislation, establish a proper institutional framework with specific powers geared at enforcing the county laws.

Enforcement includes inspection of compliance with county laws, arrests of those who offend the county law, their prosecution, and judicial determination of accusations and punishment of those who offend the county law.

Enforcement further extends to impoundment of property and animals which is traded and kept contrary to county law.

The arresting or impounding officer must have a legal backing from which such power should be given.

It is upon the above consideration that this bill seeks to provide for county laws enforcement institutions and their powers.

The structure of the Bill is as follows:

PART I—(clauses 1–3) of the Bill contains the preliminary provisions.

This part also provides for a mechanism of appeal from the decision of the disciplinary committee.
PART IV—Clauses 11-16 provide for the various powers which have been bestowed upon the inspectorate officers. Clause 17 requires them to identify themselves in every situation.

Clause 18 and 19 make provisions that deal with unapproved building and the consequences of such buildings.
