THE MERU COUNTY VOCATIONAL EDUCATION AND TRAINING (POLYTECHNICS) BILL, 2020

A Bill for

AN ACT of the County Assembly of Meru to provide for the establishment, governance and regulation of Meru County Vocational Education and Training (Polytechnics); to provide for their registration and management and for connected purposes.

ENACTED by the County Assembly of Meru as follows—

PART I—PRELIMINARY

Short title

1. This Act may be cited as the Meru County Vocational Education and Training (Polytechnics) Act, 2020 and shall come into force upon its publication in the Gazette.

Interpretation

2. In this Act—

"Board" means a Board of governors appointed by the Executive Committee member under section 4(1) to oversee the affairs of Vocational Training Centres (Polytechnics);

"Director" means the County Director heading the Directorate of Vocational Education and Training;

"Directorate" means the Directorate of Vocational Education and Training established by the County Public Service to manage all matters relating to education and training in vocational training Centres (Polytechnics);

"Executive Committee Member" means the County Executive Committee Member responsible for Education and Technology;

"Polytechnic" means Vocational Training Centre established by the local community or private entity;

"Principal" means the Principal appointed under section 27.

Objects of the Act

3. The object of this Act is to promote the—

(a) establishment and progressive development of Vocational Training Centres (Polytechnics) in the County;

(b) acquisition of occupational trade skills by young persons through training;

(c) exchange of knowledge and skills and, in so doing, improve the economy of the county; and
(d) carrying out of research and development that serves the County.

PART I — RIGHT TO VOCATIONAL EDUCATION AND TRAINING

Right to Vocational Education and Training

4. (1) Every youth has the right to access relevant education and training.

(2) The right to vocational education and training shall be enjoyed without discrimination, exclusion or restriction on the basis of sex, race, colour, ethnic origin, tribe, birth, creed or religion, social or economic standing, political or other opinion, property, disability or other status.

(3) For the enjoyment of the right to vocational education and training, the county government shall—

(a) respect, protect, promote, improve, inform, monitor, supervise and evaluate the right to vocational education and training and guarantee mechanisms for its enforcement;

(b) refrain from actions that undermine access, retention and completion of vocational education and training;

(c) ensure the availability and accessibility of vocational education and training to all youth within the county by making provision of sufficient resources, funding and support; and maintaining an enabling environment in which youth can attain vocational education and training;

(d) provide an opportunity for the public to develop their understanding on the need to support the implementation of vocational education and training and for public participation in the formulation and implementation of any service programme interventions towards vocational education and training; and

(e) ensure the development of skills and capacity building necessary for achieving an equitable and effective vocational education and training system in the county.

Youth with special needs

5. (1) The Executive Member shall establish a mechanism for identification of youth with special needs and put in place mechanisms to ensure that such youth have access to, and are provided with vocational education and training;

(2) In performing his or her functions, The Executive Committee Member shall—

(a) put in place the necessary facilities to ensure the production and access to affordable assistive aids and devices for the youth with special needs;
(b) ensure that there are adequate training institutions, facilities and rehabilitation services for the youth with disabilities;

(c) ensure that there are adequate facilities and every vocational training centre has at least one instructor to assist trainees with special needs;

(d) conduct sensitization and awareness campaigns on learning disabilities and issues affecting youth with special needs; and

(e) conduct training and capacity building targeting trainers who specialize in training and caring for youth with special needs.

Obligation of the executive committee member in promoting the right to vocational education and training

6. The Department responsible for Education and Technology in the County shall, in promoting the right to the vocational education and training—

(a) formulate programmes and plans and implement policies for the realization of the right to vocational education and training;

(b) be responsible for the training, registration, staffing and supervision of vocational education and training and development of connected personnel in the county;

(c) identify and undertake an assessment of youth with special needs in the county and put in place special programmes targeting such youth in the provision of vocational education and training;

(d) carry out awareness and advocacy programmes in relation to youth's development and training;

(e) ensure the provision of and support investment in infrastructural facilities and training resources and equipment to facilitate the provision of vocational education and training;

(f) ensure that youth belonging to marginalized, vulnerable or disadvantaged groups within the county are not discriminated against and prevented from pursuing and completing vocational education and training;

(g) establish and maintain relationships with international, national and local institutions within the county involved in the provision of vocational education and training;

(h) promote the circulation of and access to up-to-date and timely information on vocational education and training and development; and

(i) provide the necessary infrastructure and funds necessary for the development of vocational training centres and for the
administration of vocational education and training within the County.

Limitation of the right to vocational education and training

7. Limitation to vocational education and training shall be to the extent that it is done in the interest of national security, public safety, public order or public health and the interest of promoting the general welfare of the society.

PART III - ESTABLISHMENT AND MANAGEMENT OF MERU COUNTY VOCATIONAL TRAINING CENTRES (POLYTECHNICS)
