MEMORANDUM OF OBJECTS AND REASONS

The principal object of this Bill is to provide for corporate membership in the Political Parties Act, 2011. This concept was recognized by the Political Parties Act, 2007 but was not carried over to the Political Parties Act, 2011. The concept of corporate membership is important as it allows a political party to be member of another political party without necessarily merging or forming a coalition and thus retain its identity.

The Bill also seeks to recognise the different categories of membership to a political party. Political parties generally have different levels of membership, for example, life membership. Each membership level has different rights and obligations and there is need to recognise the same in law.

Clause 1 of the Bill provides for the short title.

Clause 2 of the Bill introduces the word "corporate membership" into the Political Parties Act, 2011.

Clause 3 of the Bill introduces a new section into the Act which deals with corporate membership.

Clause 4 of the Bill excludes the application of section 14 (4) and (5) of the Act in the case of a corporate member of a political party.

Clause 5 of the Bill amends the Second Schedule to the Act to provide that the Constitution of a political party should indicate the different membership categories and the rules governing corporate membership.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not limit fundamental rights and freedoms.

Statement that the Bill concerns county governments

The Bill affects the functions of the county governments and is therefore a Bill concerning counties for purposes of the Standing Orders.

Statement that the Bill is a money Bill within the meaning of Article 114 of the Constitution

The enactment of this Bill shall not occasion additional expenditure of public funds.

Dated the 1st December, 2021.

JOHN MBADI NG'ONGO,

Leader of Minority, National Assembly.
